DETAILED INFORMATION

Vessel Overview

This motor yacht with a working cockpit gives you convenience as well as space and versatility and is the best of both worlds. This was the third and last version of this very popular model from Carver. The cockpit gives you options, fish or use as an easy boarding access expanded swim platform. Access the aft deck by circular stairs. Factory hardtop and wing doors round out this “back porch” aft deck.

Ample seating and natural lighting grace the spacious well appointed salon with a settee that makes up into a sleeper bed that can accommodate 2. The gourmet galley, located down on the port side, has a dinette that converts to a double bed. Forward to starboard is access to the guest head and access to the forward guest stateroom where you will find a large double/queen berth, ample storage and ensuite access to the head with vanity, sink/shower and Vacuflush heads.

Back up aft, into the salon, to the master stateroom you will find a large double/queen berth, lots of storage ensuite head and access to the cockpit and a nice size sliding door. The head has a stall shower, sink and vanity with storage and Vacuflush head. Well appointed and in good shape, this will be a great value for her new owner.

Broker's Remarks

Miss Directed is a nice, clean, 404 ACMY cockpit yacht. You won't be disappointed in this beautiful maintained yacht. The diesel Carver 404 Cockpit MY offers comfortable accommodations and novel features. She has been well maintained. Two private staterooms that feature their own private enclosed heads and vanities, make this a well planned out and desirable design. Don't miss this opportunity. She has been updated, mechanically maintained and is all ready for her next owners.

Remarkably open and spacious, the salon features an entertainment center, an L-shaped lounge with incliners and a bucket chair. The roomy gourmet galley features a real oven and many other appointments you would find in your home. The full size dinette, opposite, can comfortably accommodate six and can be converted to a sizable sleeping area. Access the master stateroom aft, featuring a queen berth, ensuite head with separate shower stall . It opens to the aft cockpit through large sliding doors (your own private balcony).

Cockpits offer excellent fishing or diving platforms and are easy to board. The expansive cockpit, extra wide side decks, oversized swim platform, upgraded transom storage locker, and unique spiral staircase that leads from the aft deck to the cockpit are just some of the notable features. Entertaining is made easy on the aft deck with room for deck chairs, wet bar and ice maker. With expansive views, the flybridge offers seating for six. The **upgraded 370 HP Turbo Cummins diesels** will cruise comfortably at 22 knots (26 wide open). The extra waterline length improves the boats profile and handling characteristics overall and improves speed. Easy to see in Sarasota, call today for a showing. You won't be disappointed!
