Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: D4

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The 28 is a machine totally designed and precisely built for one purpose: Offshore trophy fishing. Because fishing conditions vary, we offer a combination of twin engine power and drive choices. Gas or diesel. Conventional inboard or jack shaft to sterndrive. And long-range fuel capacity for all. Plenty of living room, too. A cabin with six feet of head room. V-berth with filler. Galley with microwave, sink, refrigerator and table. Full walk-in electric head with shower. And storage areas throughout. Best of all is how easy she is to maintain. The dry, oversized engine compartment provides roomy access to the hydraulics, generator, pumps and batteries. The bilge runs in a tunnel underneath the gel-coated engine room, so all vital mechanics stay dry and clean. The air intakes are high above the sheer to keep corrosive salt spray out. Even the cabin walls are finished gel so they can be easily cleaned and kept free of mildew. The 28 is complete. There's a very short "extras" list. The most popular is the command tower, which encloses the lower helm station and provides a complete second station above.

Electronics

- Furuno 1712 24nm Radar
- Furuno Color Depth Finder
- Garmin Echomap 70s Touch Screen GPS / Plotter
- Nautamatic Autopilot
- West Marine VHF Radio
