## Overview

---

Good looking boat with a long foredeck and distinctive stepped sheer, the 48 Hi-Star is built on a modified-v hull. A stable ride and a large cockpit this boat is built for serious fishing and diving activities with a standard transom door. Extras wide side decks and a large fly bridge she is a dream to get around. She has a spacious two stateroom layout with a hand rubbed teak interior and the galley and dinette on a single level and separated by a stylish drum style serving counter. Wrap around cabin windows provide plenty of natural light and the Master Stateroom situated on the centerline forward has a queen island berth and guest stateroom furnish with over under berths. Powered with a pair of Caterpillar 3208TA diesels rated at 375 HP she will cruise at 19-20 knots and tops out at 22 knots. Neat and clean she is ready to go at an extremely attractive price.

# DETAILED INFORMATION

---

## Accommodations

---

The large cockpit leads into a spacious salon and galley on the same level. The lower helm is to starboard and a serving counter is to port between the galley and salon. A loveseat and convertible sofa bed highlight the bright salon.

Two staterooms are forward: a spacious master stateroom with custom centerline queen, dressing table and large head; and a guest stateroom to port with upper and lower berths. The guest head is to starboard and a space saving arrangement allows it to share a shower with the master head. The salon and Master Stateroom have been re-carpeted. Neat and orderly she is ideal for extended stays and lengthy journeys.

- Master Stateroom queen berth
- Guest Stateroom, upper & lower berths
- Master & Guest Heads, connecting tiled shower
- Storage & Lockers built in
- Hi-Lo Teak Table
- L-Shaped Dinette seats 6 & converts to double bed
- Entertainment Centers, Salon & Stateroom
- Beautiful custom teak joinery, unique barrel end cabinet with bar storage.
- Floors: Teak & Holly Areas and Wall to Wall Carpeting (New Sept 15)

## Electrical Equipment

---

- 2 Automatic Chargers, 50 amp & 40 amp
- 3 cranking batteries, 2 house batteries
- 12v/110v lighting & outlets throughout
- Cockpit lighting, spreader lights
- 12.5 Westerbeke Generator with 216 hours of use
- Color coded and numbered wiring (original prints on board)
- Searchlight, 200,000 cp ACR with remote control upper & lower
- EPIRB, ACR Satellite 406

## Engines & Mechanical

---

- 12.5 kW Westerbeke Generator 216

- Hours
- Bennett Trim Tabs
- Glendenning Synchronizer
- Hynautic Hydraulic Steering
- Racors Fuel Filtrations
