SPECIFICATIONS

Overview

The 88' Riva Domino Super immediately strikes the eye for its slender, streamlined profile, which is further highlighted by the color of the hull, a dark grey that has been named 'London Grey'. The same innovative color shade can also be found in some deck details and harmoniously contrasts the light grey ('Moon Grey') of the superstructure. Other important design solutions bear witness to the great value of this evolution: the new sundeck highlights the yacht's sporty character, while offering guests additional comfort; the outdoor pilot station has been moved to the central part of the boat and has a very limited size, thereby making room for a large sofa at the bow; and the large uninterrupted hull glazing, featuring a very aggressive design, extends across the yacht, almost like an arrow, from the central part of the boat to the extreme bow. The stainless steel plate bearing the Riva logo, just in the middle of the glazing, is the 'seal' on this masterpiece and the restyled aft area adds the final touch to the yacht's dynamic personality. The 88' Riva Domino Super's outstanding technical equipment and solutions perfectly harmonize with its sporty look and offer additional comfort to all guests, making technical operations extremely easy.

Basic Information

Category: Motor Yacht

Sub Category: Coupe

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 88' 0" (26.82m)

LWL: 70' 3" (21.41m)

Beam: 20' 7" (6.27m)
