# ХАРАКТЕРИСТИКИ

---

## Обзор

---

“Azahara” has a two stateroom layout that is typical of racer/cruisers of the early 70’s era. There are two berths in forward cabin, with two settee and two pilot berths in the main salon. The aft cabin has two double berths and two singles. The galley is aft on the starboard side and there is one head.

Azahara is finished with traditional satin varnish applied over teak. In 2009, the teak, along with the headliner was renewed. The cabin sole is teak and holly. The interior cushions were at the same time also reupholstered.

There are lee cloths for all the berths forward and leeboards for the aft cabin berths. The companionway ladder is aluminum and teak and there is a smaller teak ladder from the aft cabin to the aft cockpit. DYSID:2362660
