## Overview

New Everglades 350EX: The King of Cabins Designed for overnight fishing trips with family or friends, Everglades' 350EX is the epitome of high performance luxury cruising. Her fully enclosed helm deck allows for all-weather running, and the luxuriously appointed cabin can comfortably accommodate 4 people. With triple 350s, you are assured ultimate power and reliability. Like all Everglades, this boat was designed for fishing. With 21 rod holders, a deluxe tackle center with raw and fresh water faucet, and even a bait freezer and built-in refrigerated fiberglass cooler, you are equipped for any fishing expedition. Below deck, the teak-detailed cabin features 6'4" of headroom, 2 full berths, a 19" flat screen TV, DVD player, galley with microwave and electric cooktop, and a roomy head compartment. AC vents throughout the cabin and helm deck allow you to adjust the atmosphere from above or below. The helm station features a fully adjustable custom captain's chair and a comfortable L-shaped lounge to port. Full-height windows with unobstructed views and 3 electrically actuated vents in the windshield provide natural ventilation. A defroster is also standard and the tilt away console features an anti-glare coating. Add half side windows or a full weather enclosure for even more options. Top of her class among express boats, just one look at Everglades' 350EX and you will understand the expression, "Luxury is Standard."
