Overview

NEW 2015 PRESTIGE 750 YACHT

InterMarine MSRP includes; Most Wanted Factory Installed Options plus ...
Freight, U.S. Customs Duty, Dealer Prep & U.S.C.G Safety Gear

Let the honors begin. The Prestige 750 nominated for the prestigious European Powerboat of the Year award for 2015

With the arrival of this new motor yacht of 75', a new chapter is being written in the PRESTIGE story. And yet, the PRESTIGE 750 is born of the same values that constitute the DNA of PRESTIGE: a passion for innovation and an enduring commitment to quality and excellent value, to originality in layout, and to timeless design.

The new PRESTIGE 750 was conceptualized for fuller enjoyment of life at sea, with exceptional exterior living spaces, from the extra-large swim platform to the spacious cockpit and generously sized flybridge. The layout affords privacy as well as safety and ease of movement while on board.

Since her worldwide début in 2014, the Prestige 750, flagship of the Prestige Yachts range, has made a remarkable entrance. After receiving two World Yachts Trophies awards in Cannes, "Best Layout" and "Most Achieved," for her innovative layout, overall quality and attention to detail in design, she has just been nominated for European Powerboat of the Year 2015 in the category of boats measuring over 45 feet in length.

Initially created by the German magazine, Boote, the European Powerboat of the Year trophy recognizes the finest boats available for sale on the European market. Eight major magazines from the European marine press will select a winner from among five boats in each of the four size categories. The selection criteria are based on aesthetics, innovation, originality, build quality, and performance, as well as price. Come to the Düsseldorf Boat Show this January for the awards ceremony!
