ХАРАКТЕРИСТИКИ

Обзор

See it - Buy it ...at InterMarine Perhaps the most talked-about boat on the waterways, the amazing 327 SSX mixes bowrider roominess with a full-beam cabin. Equal parts family bowrider, performance-minded sport boat and overnight cruiser, the 327 was the NMMA's Innovation Award winner the year it was christened. With its standard fiberglass hard top, striking interior accents, dual forward facing helm seats and wildly practical full beam cabin, the 327 is one-of-a-kind. A stainless steel windshield and heavy-duty rails say quality in every detail.
