### Accommodations/Walkthrough

---

DOLCE VITA II sleeps 7 in the owner's party in 3 staterooms plus crew accommodations for up to 2 in 1 cabin.

Starting on the main deck aft, there is a beautiful sunning area surrounded by teak decks and, at night, the sun pad converts to a dining area with a built-in Hibachi-style grill. Aft of the sun area is the passerelle and wide steps down to the swim platform and garage.

Moving forward, you enter a large indoor/outdoor area that can be fully enclosed or opened to enjoy a cool night. This area includes a sun roof, two seating areas, a large bar and all the way forward is the helm station.

On the port side you will find the stairs to the lower deck which opens into a formal salon paneled in cherry wood with large port lights on both sides that allow excellent visibility of the surrounding area and natural light. To port is a large sofa that can be used for dining or as a cocktail area. To starboard is the entertainment area with a 42" TV, wet bar and office area.

Aft is the galley, crew cabins and access to the engine room. Moving forward are two guest cabins. The port cabin has two single berths (plus Pullman berth), TV, stereo and a full-size head. To starboard is a VIP cabin with queen berth, full entertainment system and private head.
