SPECIFICATIONS

Overview

This 38' Cabo has been outfitted as the perfect fishing machine. From the latest in electronics to the booming sound system the "Sea Way" has everything you need to catch the fish of a lifetime or just entertaining friends for the evening. The "Sea Way's" electronics consists of the latest from Furuno's TZTouch system. (2) TZTouch 14" displays at the main helm and (1) 14" TZTouch display in the tower gives you a variety of split screen options and flexibility with the ability to view the 64 nautical mile radar or the high definition CHIRP sounder from any screen. Also interfaced into the Furuno TZTouch is the latest marine Fusion stereo allowing you the ability to control different zones and audio throughout the boat from any TZTouch display.

- Furuno RD-30 Digital depth / temp display
- KVH Track vision Satellite TV

Tower

- Aluminum tower with Fiberglass hardtop
- Radar pod on tower
- Recessed teaser reel box in hardtop US9reels
- Custom steering pod with stereo speakers
- Bench seat with back rest in buggy top
- (2) Air horns
- Compass
- CAT electronic controls
- Engine start/stop buttons
- Center rigger
- Double spreader outriggers
- VHF Recessed flood lights
- 14" Furuno TZ Touch screen

Helm Deck

- 24,000 btu Helm AC
- Forward-facing Stidd companion seat
- Companionway door, sliding, opaque with white acrylic
- Engine access hatch with gas spring
- Double Stidd Helm chair
- Integrally molded helm console
- Molded fiberglass helm deck, hydraulically lifted with cockpit control unit
- Tackle center with drawers for gear storage and organization with custom carpet on top
- Flush-mounted compass with light
- CAT Single lever electric controls
- Trolling Valves
- CAT engine instrument panel with audible warning system and hour meters
- Fire and bilge water level alarms
- Custom stainless steel switch panels
- Raritan ice maker
- First Aid kit
- Fire extinguisher
- (2) Bose stereo speakers
- Windslow life raft

Electrical System

- Westerbeke EDT 15 kW generator with 750 hours
- 50-amp shore power cord
- Automatic Battery charger with thermal cut out
- Battery on/off switches
- Battery paralleling, automatic, with manual switch at helm
- Bonding system with transom zinc plate
- Circuit breaker protection throughout
- AC/DC electrical custom distribution panel with line voltage and load meters
- 12VDC at 50 amps electronic supply at helm
- DC engine room lights
- DC interior lights
- Navigation lights GFI protected receptacles throughout cabin
- Aqua Whisper fully automatic Watermaker 29 gal/hr 36 hours
- 110V AC Fresh Water pump
- 5 Underwater lights - (2) AC - (3) DC

Cockpit

- Aluminum reinforcing plate installed for mounting fighting chair

- Bait prep center - sink, rigging board and tackle storage
- 48-gallon bait tank molded into transom with large overboard drain and LED lighting Window in livewell
- Courtesy lighting under gunwales and helm deck toe kick

- Finished white gelcoat in all bilge areas
- (4) Bilge pumps- three automatic/ manual, one automatic
- Double constant torque stainless steel clamps on engine exhaust hoses
- Stainless steel double hose clamps on all hose fittings
- CAT Electronic controls, engine synchronizer and back up
- Emergency bilge pump diverter valve on one main engine (Crash Pump)
- Engine alarm system
- (2) Engine hour meters
- White gelcoat finish throughout engine room
- (2) DC Engine room blowers
- Automatic fire extinguishing system
- Fuel filters with water separators on main engines and generator
- Metal braided, fire-retardant fuel lines,
- Fiberglass, fire-retardant vinylester resin fuel tank
- Hydraulic, marine grade helm deck lift system
- (3) High water bilge alarms
- 22-gal Holding tank with monitor, macerator and dockside discharge
- Hose sleeves, braided, on all nylon hydraulic steering lines
- Fiberglass mufflers with backwash surge tube
- High-strength stainless steel double taper propeller shafts with couplers 4-blade Nibral

propellers

- Teleflex Seastar power boost hydraulic steering system
- Bronze, high-strength rudders with high load bearings (low friction, precise control)
- UL approved for marine application bronze sea cocks, fitted on all thru-hulls below waterline
- Drip-less lip seal type stuffing boxes
- 11-gallon, AC, stainless steel water heater
- Bronze, high speed water intake scoops with integral seawater strainers
- Electric fuel priming pumps
- Oil change system for mains and generator

Hull

- Molded fiberglass construction using premium vinylester resins and biaxial stitched fabric reinforcement
- Solid fiberglass bottom construction
- Core construction from chine to sheer
- Stainless steel rub strip on face of white high-density PVC rub rail
- Interceptor style recessed trim tabs
- Recessed anchor roller assembly
- Custom 12" stainless steel bow cleats
- 10" stainless steel spring line cleats
- 12" stainless steel stern cleats Stainless steel stern hawse pipes,
- Integral molded fiberglass bow pulpit
- Custom aluminum bow rail (east coast style)
- Molded-in, non-skid deck surface
- Molded fiberglass using polyester resin, biaxial stitched fabric reinforcement and core construction
- Heavy-duty, DC electric windlass with remote at helm and deck switches
- (3) Windshield wipers with pantograph arms, intermittent and separate controls
- Heavy-duty windshield with side vents Welded aluminum windshield frame finished in white powder coat
- Electrically actuated center vent
- (3) Windshield washers wet arms

Salesman's Comments

This 38' Cabo has been outfitted as the perfect fishing machine. From the latest in electronics to the booming sound system the "Sea Way" has everything you need to catch the fish of a lifetime

or just entertaining friends for the evening. The “Sea Way’s” electronics consists of the latest from Furuno’s TZTouch system. (2) TZTouch 14” displays at the main helm and (1) 14” TZTouch display in the tower gives you a variety of split screen options and flexibility with the ability to view the 64 nautical mile radar or the high definition CHIRP sounder from any screen. Also interfaced into the Furuno TZTouch is the latest marine Fusion stereo allowing you the ability to control different zones and audio throughout the boat from any TZTouch display.

Being a fishing machine the “Sea Way’s” high definition multi frequency Airmar CHIRP sounder is only one option for catching fish. It has also been equipped with a powerful Furuno CH250 Sonar expanding your range under water. The navigation system includes an AP 28 autopilot system dual station. The Fusion stereo system includes, full Bluetooth capability, Stereo remote in cockpit, 7” full range speakers, 5 channel amplifier, 10” subwoofer as well as Bose 151 outdoor speakers.
