## Обзор

This Sea Ray 60 Sundancer exudes pride of ownership in every detail from its cabin, shiny exterior and tidy bilge! Super clean with updates and maintenance. This yacht has been constantly detailed and washed inside and out. Twin MAN 1100 V-drive diesels cruise the 60 Sundancer in the 26-28 knots (33–35 knots top). This boat recently went thru a stem to stern service & detail from A/C systems, port engine replaced by MAN (under warranty), cooling system flush 2014, New Garmin 8215's with HD Radar, new underwater lights, new TV in upper salon, MAN service including oils, after and intercoolers boiled and flushed, hydraulic lift fluid and lines changed, etc. This list is long and distinguished! Don't be fooled this yacht is in great shape at all times -- not just in preparation for sale. Make your appointment for a private showing today.
