SPECIFICATIONS

Overview

The PROBABILITY is a 2007 model 80' Hatteras Motor yacht with a 21'3" beam powered by twin Caterpillar C32A's @ 1925HP, completely refit . The vessel is in pristine condition and features a white hull and custom welded stainless steel handrails. This unique 80' Hatteras is a great owner operator configuration.

This 80' Hatteras MY in an open bridge configuration with a Pipewelder hardtop including four sided Strata Glass with zipper windows. The flybridge features a large key shaped bar with generous bench seating and sun lounges. Aft of the deck seating there is a 2000 lb hydraulic davit that allows for a larger sized tender along with removable railings for family safety. Equipped with hydraulic bow and stern thrusters which makes dockside handling much safer and easier. The bridge helm sports (3) helm chairs and Garmin electronics updated in 2014.

The interior is a classic 'Hemingway', finished in African mahogany wood, and in excellent condition. New carpet installed this year throughout the salon and master stateroom. She also features a sunken wet bar with (3) leather barrel chairs just inside the salon door. The fully equipped country galley offers open floor space with dining area. In addition, this 80' Hatteras has a custom built pop-up lower helm that electronically folds away with a touch of a button. This feature makes operating a breeze.

The VIP Stateroom is forward with a centerline queen berth. The starboard guest stateroom features oversized over/under berths. The portside guest features twin berths along with a 3rd Pullman berth. All guest staterooms feature entertainment systems and private baths with shower. Forward is the master stateroom with a King sized berth centerline and large bath, his and her large closets and custom walk-in office equipped with electronics and A/V capability. There is also ample storage and access to the engine room. These custom features were built by the original for the owner for the ease and operation of the vessel. With the open bridge, custom fiberglass hardtop, low hours and only having two owners that keeps all services 100% up to date, makes PROBABILITY by far the best priced 80' Hatteras on the market!

DETAILED INFORMATION

Introduction

The PROBABILITY represents by far the most highly customized Open Bridge 80' Hatteras ever to be on the market. Purchased by her current owner in 2017, she was the nicest low hour 80' Hatteras with the CAT C32 Acert factory upgrade (\$325,000) to 1,925 HP engines. She was then stripped down to a bare shell to receive her \$1,800,000 worth of upgrades in order to turn her into the pristine vessel she is today. All systems were redone and most appliances replaced with top of the line options and all pumps, small motors and components are new in 2018! Everything except the main engines, generators and built-ins like the davit and transmissions were replaced with new equipment in 2018. Upgrades and refits completed between 2017-2018 include complete new paint, all new canvas, all surfaces recovered, and everything replaced beyond what any reasonable, dollar-conscious individual would do. The refit project manager left no element to chance as he ensured that the refit encompassed 100% of the vessel and her systems. All soft goods on the vessel were removed and replaced, to include all new headliners, draperies, carpeting, padding, flooring, furniture, linens, custom shams and mattresses. The engine room was also given a complete mechanical inspection and servicing during the refit. Also, while the Whisper Wall headliners were being replaced, all wiring & lighting behind the headliners were replaced with Cat 5 Wiring and new warm LED's throughout the vessel. In addition, the exterior of PROBABILITY received a complete new Tong Lu paint job in 2017, the bottom was peeled and new anti-fouling paint applied, along with prop-speed on the running gear. Stepping aboard today, you will feel as though you are in fact stepping on board a brand new 80' Hatteras Motoryacht, as every fabric, every surface, and every piece of furniture is NEW, as well as having all the large yacht / big ticket options NEW!

Custom Upgrades/Additions

- Factory upgrade from Caterpillar C-30's w/ 1,600 HP to Caterpillar C-32A's w/ 1925 HP
- Back-up hydraulic cooling system for the bow thruster, windlass and stabilizers
- Fully automatic watermaker
- Winter heating system, when the sea water temperature is below 50 degrees, an inline electric heat system works on land or in water
- Chain counter
- Stainless steel anchor chain (tangle free)
- Back up fuel transfer system
- Ultrasonic sending units for all liquid tanks to include, fuel, water and waste
- Dockside power, port & starboard, bow & stern
- Underwater lights
- Aft Quartz lights on hardtop
- Head hunter waste management system
- ABT stabilizers integrated

- ABT bow thruster
- ABT stern thruster
- SAT Phone
- A/C compressors upgrades from 4 ton to 5 ton
- Backup A/C saltwater circulation pump
- Backup Mach 5 freshwater pump plumbed
- Spot Zero water filtration system w/spare filters
- Genset raw water intake flow meters
- Exhaust fan reset switches
- Trim tab indicator at helm
- Flybridge refrigerator
- Flybridge ice maker

2019 Updates

- New 5-ton AC Chiller
- New high pressure pump & membranes on watermaker
- New KVH Satellite phone system
- Activation of cradle point for cell service (sim card needed for Bahamas use)
- New additional VHF at upper helm
- Heat exchangers & after-coolers removed, acid-washed, reassembled & reinstalled in Oct 2019
- 1435 & 1428 Oil & filter changes for main engines & generators in May 2019 (Fuel & oil filters due next @ 1685 & 1678)

2017/18 Updates

- Complete new paint job from keel to top of the flybridge, by Tong Lu
- Upgrade to Zero Speed stabilizers
- Bottom peal & bottom job
- Running gear alignment
- Renewed propellers and prop speed
- New teak on aft deck & flybridge
- All new Garmin electronics at upper & lower helm stations, to include Radar, AIS, GPS, Plotter & VHF's
- New, custom designed sunpads on bow
- New headliners throughout yacht
- New Whisper Wall bulkhead paneling throughout
- Custom countertops throughout yacht to include aft deck, salon bar, salon winecooler, galley counters, island top and table top, day head and master heads
- All new flooring throughout vessel, Fabrica carpeting, hard wood in galley & tiling
- Updated LED rope lighting throughout yacht

- Updated to LED overhead lighting throughout yacht
- New motorized shades in master stateroom
- All new mattresses throughout, incl. crew bunks
- (2) Sets of all new bedding, pillows, shams, sheets
- (6) New underwater lights w/ color wheel selection
- All new HD TV's w/ CATV6 & Direct TV
- Aigean Wifi & amplification systems
- Yacht Controller remote system
- Complete replacement of chilled water line insulation for AC system
- New V-Kool window tinting on all salon, galley & pilothouse windows
- (2) New washer-dryer sets, forward & aft
- All new Master Stateroom His & Hers Bathrooms w/ Custom granite countertops, fixtures, plumbing, lighting, wall covers & shower
- Crestron operated Audio Visual in every room, flybridge & aft deck
- All new galley appliances to include oven, stove, microwave; New granite countertops; New galley AC vents
- Closed circuit camera system
- (8) New marine batteries (2017)
- Refrigerated drawers in crew quarters

Salon:

- New custom window treatments w/ motorized duette blinds
- New built-in double door wine chiller w/ granite top in main salon
- New granite for bar & wine chiller
- New back-lit granite top, new refrigerator & ice maker, (3) new ottoman style bar stools
- All new custom furniture

Aft Deck:

- New exterior cushions
- Custom bar w/ storage cabinet & granite top
- Custom fiberglass port & stbd boarding gates have been engineered, designed, fabricated & installed

Flybridge, aft moving fwd:

- Custom cabinet w/ stainless steel Weber propane grill
- Walker Bay center console Rib tender w/ 70 HP Yamaha, set up w/ complete electronics package, safety gear & new cover, mounted on painted aluminum chocks & SST tie-down system & lifting harness
- 2,000 Lb Hydraulic davit w/ extension boom
- Access door to aft deck stairwell
- Intake grills

- Custom cabinet built to hold large propane grill & tank w/ additional storage
- Custom built extra large bench seating w/ center walk-through to accommodate (2) full-sized dining tables & (4) deck chairs along stbd side
- Port side seating w/ ottoman-style table
- New cushions & covers for all flybridge bench seating
- Key-shaped island bar w/ new countertop, new refrigerator & icemaker, & extra comfortable barstools on HD stainless steel pedestals
- (3) Stidd Deluxe helm chairs w/ new covers
- (2) 40" HD Smart TV's, port & stbd
- Flybridge air conditioning plumbed from the ship system chilled water AC system
- (2) Custom sunloungers w/ covers stowed under tender
- New EZ2CY eisenglass enclosure for entire flybridge
- (2) 6-person life rafts mounted on hardtop w/ hydrostatic release

Accommodations

Boarding through the custom fabricated boarding gates on either port or starboard side, you are welcomed to an oversized aft deck with newly refinished teak table, upholstered bench seating and new folding teak chairs. To port is a built-in stairwell to the flybridge with access door beneath that leads to the crew quarters. Flanked by a new custom built, granite top bar with storage below to starboard, polished stainless steel double doors lead into the spacious salon. Just inside the salon doors is a sunken wet bar and following through the main salon and dining area on the centerline will lead you to the fully equipped country style galley with forward dinette and custom built pop-up lower helm that electronically folds away at the touch of a button. The VIP stateroom is forward with a centerline queen berth, and to port is the newly refitted queen guest stateroom. The starboard side guest features twin berths, and all three guest staterooms feature entertainment systems and private baths with shower. Aft is the full beam master stateroom with King sized berth centerline, and a newly refitted, custom full beam His & Hers bath with seamless glass shower.

Main Salon

Curved sliding doors framed in polished stainless steel give way to a vast salon that benefits from a 21'3" beam. A sunken wet bar with three leather ottoman style stools reside just inside the salon door and for maximum entertaining a Samsung 50" HD TV is easily viewed from all areas of the salon.

- Finished wood w/high gloss finish in African mahogany
- Custom upholstered L-shaped sectional sofa
- Custom upholstered chair w/ wooden feet
- Glass top cocktail table, Framed in polished stainless steel
- (3) Leather, ottoman style bar stools
- Wooden end table w/decorative lamp

- Round glass top dining table w/ Mahogany pedestal base, Custom designed & commissioned by artist, & custom mounted for sea safety
- (4) Oversized upholstered dining chairs w/ wood frames, imported from Italy
- Built-in buffet cabinet, forward bulkhead, lofted for crystal & china
- Custom built-in double door wine chiller w/ granite top ('17)
- Custom decorative headliner treatment extending length of salon ('17)
- Custom carpeting throughout ('17)
- Whisperwall bulkhead paneling throughout ('17)
- Custom decorative wood valance w/silhouettes in recessed pockets
- Welded and polished curved stainless steel sliding door to aft deck
- Sunken bar w/ back-lit granite top, Scotsman icemaker & glass/bottle storage
- Entertainment center w/ 50" Samsung TV, Omni Directional antenna & surround sound stereo receiver
- Boston Acoustics 5.1 surround sound speakers
- Fixed frameless windows w/ V-Kool tinted safety glass
- Day head w/ all new granite vanity top, sink, fixtures, custom wallcovering, tiling & mirror ('17)

Galley & Lower Helm

The galley is fully functional and includes granite countertops, back splashes and Amtico flooring for ease of maintenance. Appliances include a full size Sub-Zero refrigerator/freezer, microwave, convection oven, dishwasher, trash compactor, and 4-burner ceramic cooktop. Forward of the galley under the windshield is a large comfortable dinette with granite table-top and upholstered settee. To starboard of dinette, is a custom electronic pop-up lower helm station built by Hatteras Yachts, allowing navigation inside. The helm is equipped with complete controls and electronics for vessel's operation. To port and starboard there are pantograph doors leading to the outside for ease of line handling. This custom Hatteras design with the dinette and pop-up helm make the galley area much larger and more open than other 80' Hatteras'. All new in 2017:

- Whisperwall headliner
- Fixed frameless windows w/tinted safety glass
- Custom blinds
- Amtico flooring
- Stone countertops and backsplash w/stainless sinks & faucets
- 4-burner ceramic cooktop with oven
- Microwave oven
- Garbage disposal
- Audio system control, LCD keypad & Boston Acoustics loud speakers
- Trash compactor
- SMX HVAC compartment controlled
- Built-in upholstered dinette forward w/ granite top table
- Electronic pop-up lower helm station with electronics, controls & helm chair

Master Stateroom

The crown jewel of the 80 Motor Yacht is the full-width master stateroom with six oversized portlights, which allow natural light into the area. The combination of spaciousness, natural light and water level view will stun anyone who enters the room. The master stateroom features a king-size berth with custom mattress and cedar-lined storage beneath. Arched sketch face doorways and beautiful curved cabinetry dress the area. His and her cedar lined closets as well as dressers and nightstands provide an abundance of storage and for entertaining a 40" HD TV with surround sound finishes the area nicely.

- Finished wood bulkheads in genuine African mahogany
- King-sized berth with cedar-lined storage underneath, accessed via pneumatic cylinders
- All new mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets ('17)
- Ventilating portlight with screen and five additional fixed portlights each hatch is 16" x 28" open port 8" starboard
- Whisperwall padded panel bulkheads
- Carpeting
- Whisperwall headliner
- Upholstered berth base
- Decorative wood valance with fixed Roman shade and motorized duettes
- Bowed-front nightstands with drawers
- Bowed-front built-in dressers, port and starboard
- 40" HD TV and MATV inlet
- Arched etched interior passageway door
- Full-length mirror
- Smoke detector
- Safe
- Whisperwall padded panels behind berth
- Twin cedar lined wardrobes

His & Her Master Bath:

Aft of the centerline king berth, with entries to port and starboard, the custom Master His & Her bath underwent a complete refit in 2017 in order to best utilize the large floor plan of the 80 Hatteras' oversized beam. Featuring all new His & Her granite vanity tops & backsplashes, sinks, fixtures, tiling and centerline seamless glass shower.

- His & Her granite vanities w/ storage drawers below, port & starboard
- Custom Whisperwall wallcovering
- Mirrors above vanities
- Granite shower w/ seamless glass doors
- (2) Headhunter freshwater toilets
- Headhunter treatment system
- Air induction fresh system

- Lighted make-up mirrors

VIP Stateroom, Forward

The VIP stateroom provides for a walk-around queen berth with cedar lined storage accessed by gas assisted cylinders. Comfort abounds with a custom built coil spring mattress. You'll find plenty of storage in the cedar lined lockers, port and starboard as well as hull side blanket lockers. All new in 2017:

- Queen-sized tapered berth with upholstered headboard and cedar-lined storage with drawer underneath accessed via pneumatic cylinders
- Upholstered berth base
- All new mattress, spread, throw pillows, pillow shams, mattress pad and sheets
- Carpeting
- Whisperwall padded panels on hull side
- Whisperwall headliner
- Whisperwall padded bulkheads
- Full-length mirror
- Nightstands, port and starboard
- Mirrored forward bulkhead
- Carbon monoxide detector
- Cedar-lined hanging locker with arched door and automatic light, port and starboard
- Screened overhead hatch with privacy cover
- AM/FM audio access with local DVD/CD changer w/one-touch master universal remote w/rf control
- Access to port head
- 32" HD TV
- Overhead storage cabinets, port and starboard
- Smoke detector
- DC low-level lights under berth
- Steps to bow stateroom with DC low-level lights
- Arched etched passage door
- Polk stereo speakers
- Fluted wood valance with air conditioning dispersed through soffits, port and starboard
- Private head w/granite countertops, floors with ventilating head and fresh air system

Queen Guest Stateroom, Port

The port stateroom underwent a full refit in 2017, and features a comfortable queen berth. Storage is provided by a cedar lined hanging locker and features its own private bath with large built-in vanity with granite top, mirror, deep sink, fixtures and large shower stall. All new in 2017:

- Queen berth with storage underneath

- Custom mattress, spread, throw pillows, pillow shams, mattress pad and sheets
- Padded bulkheads
- Carpeting
- Whisperwall headliner
- Fluted wood valance with fixed Roman shade and duettes
- Air conditioning dispersed through soffits
- Ventilating portlight with screen
- Cedar-lined hanging locker with arched doors and automatic light
- Nightstand with drawers
- Full-length mirror AC and DC light fixtures
- 20" HD TV
- Smoke detector
- Carbon monoxide detector

Twin Guest Stateroom, Stbd

The starboard stateroom features over/under berths with storage below. The berth is fitted with new mattresses and plush linen treatments. Inboard you'll find a dresser with HD TV and it's own private head which is ventilated with a fresh air system.

- Twin over/under berths
- New mattresses, spreads, throw pillows, shams, mattress pads and sheets
- Upholstered berth base
- Dresser
- Cedar-lined hanging locker with automatic light
- Full-length mirror
- Whisperwall padded bulkheads
- Carpeting
- Whisperwall headliner
- Private access to head
- Etched door to stateroom
- Private access to head ventilated w/fresh air system

Crew Quarters, Aft

The crew area is accessed thru a transom door, or through stairwell off the aft deck. Below is a stateroom with a queen walk around berth, a second stateroom providing upper/lower berths and a full head.

- Queen walk around berth
- Padded berth base
- New mattress, spread, pillow, pillow shams, mattress pads and sheets

- Carpeting
- Padded vinyl covering on hull side
- Vinyl headliner
- Cedar-lined hanging locker with doors and automatic light
- Full-length mirror
- 20" HD TV
- AM/FM audio access with local DVD/CD changer and a one-touch master universal remote
- Boston Acoustics loudspeakers
- Curved stairwell from aft deck
- Watertight door from swim platform
- SMX HVAC compartment controlled
- Carbon monoxide detector
- Large stand-up refrigerator/freezer

Flybridge Equipment

The open flybridge has a large console featuring a full array of all new Garmin electronics and three Stidd helm chairs. Aft of the helm you'll find a key bar, with new granite top, refrigerator & ice maker with three stainless steel pedestal bar stools. Starboard amidship is a curved upholstered lounge with round ottoman, and to port is an full length L-shaped upholstered lounge with two new teak tables and three new folding teak chairs. Two newly installed 40" HD TV's are overhead to port and starboard. Aft of the port lounge and out from under the Pipewelders hardtop is a custom cabinet which houses the new propane grill. At the helm you will find all new Garmin electronics, and on the boat deck is the fully refurbished 2000 lb hydraulic telescoping unit with a 20' boom that allows easy access for any toys. The sun deck features customized removable chocks for the new center console Walker Bay tender, along with two custom built sun loungers that stow underneath the tender, allowing the entire aft portion of the boat deck to be used as a sun deck when toys are off boat.

- Forward control station with all necessary switches, single lever electric clutch and throttle controls, synchronizer, back-up controls, power assisted steering, compass and electronic console
- (4) Garmin touch screen GPS/plotters
- (2) Icom VHF's
- Simrad AP25 autopilot
- EZ2CY 4-sided enclosure
- Welded and polished 316L stainless steel rails and stanchions
- L-shaped lounge with storage, port and starboard
- (2) New teak tables with stainless steel pedestals, to port
- (3) Stidd helm chairs
- Forward control station with all necessary switches, single lever electric clutch and throttle controls, synchronizer, back-up controls, power assisted steering, compass and electronic console

- Key bar w/ new granite top, sink, refrigerator, ice maker, bottle and glass storage
- Boston Acoustics loudspeakers
- Hydraulic 2000lb telescoping davit
- (2) Custom, easy to stow sun loungers
- Walker Bay tender
- Removable tender chocks
- Remote control for docking with bow thruster controls, outlets on bow, stern and bridge

Aft Deck Equipment

Molded in steps lead up from the sport deck and down from the flybridge. The aft deck provides built in seating with Sunbrella cushions and a teak table for dining. Additional seating is provided around the teak table with three folding teak chairs. For safety, stainless steel gates provide protection to the lower twin stairwells. To starboard you'll find a door from the aft deck provides easy access to the crew staterooms and a second access is found through the transom. The sport deck provides access to a hot/cold shower as well as quick disconnects for salt and freshwater wash down. This boat provides for dual 100 amp & 50 amp shore power connections on the stern and bow deck.

- Dual molded fiberglass steps w/lighting, port and starboard, down to swim platform
- Molded fiberglass steps to flybridge
- Welded and polished 316L stainless steel gates to swim platform
- Custom fiberglass boarding gates, port and starboard
- All new teak deck
- Molded fiberglass with non-skid sole, decks and steps to flybridge and swim platform
- Curved polished stainless steel sliding door to salon
- Hardtop with A/C lighting
- AC duplex outlet
- Folded lounge with cushions and storage below with cover
- Door with stairwell to crew's quarters/engine room
- Aft deck teak table with cover
- Steps to side decks, port and starboard
- Folding chairs
- Freshwater wash down outlet with hose connection & Hatteras quick disconnect
- Welded and polished 316L removable stainless steel hoop rails
- Hand-held hot/cold cockpit shower with cover
- Molded fiberglass steps with DC lights to aft deck
- (2) Pop-up cleats
- Boarding ladder, centerline
- Pacific Coast weather-tight door to crew's quarters and engine room

Electrical Equipment

Hatteras is known for their attention to detail, and wiring is one of their strongest points. All wiring is tin-coated and sealed in an insulation jacket. Wiring harnesses are tie-wrapped every 6" and secured every 18" with easy access. Wiring is color-coded and numbered at both terminal ends, and is well documented in the owner's manual. Go one step further to find their attention to detail in placement of dual light switches on both ends of the salon and companionway for convenience. In addition, this boat has a chilled water air conditioning system that saves on electric.

- (2) Onan 27.5KW generators w/shock mounts, sound enclosure, remote start, seawater strainer, fuel/water separator, hour meter, "flow" meters and water lift muffler (Port: 2,200 Hrs; Stbd: 2206 Hrs)
- Water heaters, 30-gallon (new 2/15) and 20-gallon midship & new 6-gallon aft for crew
- (2) 24-volt banks of heavy-duty, 12-volt marine batteries (4) mounted in fire-retardant fiberglass boxes (new 11/15)
- UL 1426 listed boat cable, tin-coated with insulation
- Gel/lead acid compatible 240-volt automatic programmable battery charger, 50/60Hz
- Automatic battery paralleling system with switch at control console
- (2) 100-amp transformer connected retractable shore cords covered by hatch, forward w/wireless remote control for cable master
- AC and DC light fixtures in 2019 mostly converted to LED
- Battery control panels with fuses and isolation switches DC electronics panels with magnetic circuit breakers AC distribution panels with magnetic circuit breakers
- AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers
- Ground fault protection on AC receptacles and lighting circuits
- Chilled water air conditioning with reverse-cycle heating, with soft starting AC compressors, automatically staged and individually controlled with SMX controls in each compartment
- TV antenna

Engine & Mechanical Equipment

The engine room provides for easy access to equipment and the bilges are painted with a high gloss urethane paint for ease of cleaning. A forced air induction system draws cooling air for the engine room from underneath the flybridge, reducing saltwater intrusion into the engine room.

- Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers FM200 fixed fire extinguishing system for engine/generator compartment with automatic and remote manual controls plus audible and visual discharge signals
- Integrated hydraulic digital 35 hp thruster/stabilizer system with 9 square foot fins
- Stern thruster (2010)
- (2) Chilled water A/C compressors, 5-ton
- (2) AC ventilation fans w/reset switches

- Variable speed air induction fans with duct to flybridge for engine combustion air
- Electric fuel transfer system with filtration and dry tank protection for pump & full back-up
- Freshwater fill hose for engines and generator
- AC compressed air system air line and regulator
- Dockside water inlets with pressure regulating valve, automatic dockside tank fill and Hatteras patented quick disconnect
- 24-volt DC bilge and sump pumps, (6) at 3700 gph, one at 2200 gph with heavy duty float switches and protective guards
- Bronze/chrome ball valves through-bolted in solid fiberglass on all underwater through-hull fittings with electrical bonding throughout
- 230-volt AC freshwater pump, with pressure tanks located in strategic areas and central charcoal filter with backflush capabilities
- Sewage holding tank with 230-volt AC sewage pump, plumbed for dockside pump-out with 3/4 full display and alarm as part of systems monitor
- 110-volt AC oil changing system for engines, generators and gears with Hatteras patented quick disconnect
- Fuel filter/water separator, generators
- Sealed shower sump
- Fuel filters/water separators with bypass manifold, engines
- Electric fuel priming pumps, 24-volt DC, engines
- Welded and polished 316L stainless-steel overhead grab rails
- AC distribution panels
- DC distribution panels
- Painted polyurethane engine room and bilges
- Water manifold blocks with centralized shut-off valve for sinks and showers
- Fiberglass rudder shelf with stainless-steel rudder tie bar
- DC exhaust blower
- Discharge sea chests, stainless-steel steering tie bar with pivoting self-aligning ball joint connection at all cylinder and tie bar connections
- (2) Gray water tanks, 126-gallons each, w/ 230-volt AC sewage pump, plumbed for dockside pump-out
- Pick-up sea chests
- Heavy-duty bronze engine couplings
- Engine and generator exhaust exits through hull side near transom
- Generator exhaust, water separator

Deck Equipment

This boat is designed with longevity in mind as all stanchions and cleats are through bolted to aluminum backing plates that are encapsulated into solid fiberglass sections of the superstructure. Molded fiberglass UL approved tanks are placed between the stringers and glassed in place. All fuel tanks are constructed with a fire-retardant resin, and exposed surfaces are coated with a fire-retardant in-tumescent paint. Bulkheads and stringers are fully tabbed into

the hull itself and the stringer system is built of a closed cell polyurethane foam to provide for stiff longitudinal support with no fear of water intrusion.

- Finished wood bulkheads w/ high-gloss finish in genuine cherry
- All hardware chrome on brass or welded and polished stainless-steel
- Swim platform with welded and polished stainless-steel boarding ladder
- Welded and polished stainless-steel anchor chute and roller
- 110-pound plow stainless steel anchor and chain, anchor line and deck hawse pipe
- Windlass, 4000lb hydraulic w/ 300' of stainless steel chain & deck-mounted control switches & at helm
- (6) Polished stainless-steel springline cleats w/ chafing strips, through-bolted in aluminum backing plates
- Custom teak flybridge tables
- Bow and stern polished stainless-steel cleats, through-bolted in aluminum backing plates
- Polished 1 1/4 stainless-steel rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates
- Boarding gates, port and starboard side decks
- (2) Remote controlled searchlights (2)
- Dual air horns
- Zincs on rudders and shafts
- Bow and stern staffs with pennant and ensign
- Blue braided mooring lines (6)
- Alloy 22 high -strength propeller shafts 4"
- Manganese bronze dripless shaft and rudder seals
- Life jackets (12)
- Life ring
- Portable "drychem" and fire extinguishers (13)
- Trim tabs
- Manganese bronze struts and Alloy 22 high-strength shaft with zincs
- Stainless-steel rudders
