SPECIFICATIONS

Overview

PRELIMINARY LISTING!

The reputation of the Bill Crealock designed Offshore series of motoryachts has created a well-deserved following of loyal owners over decades of serious cruising. *Sweetwater* has been owned by two fastidious owners, who both receive high marks for proper care and maintenance of the vessel.

The replacement of the main engines in 2002, installation of the keel extension, prop pockets, raised bulwarks forward, plus numerous updates in the past three years (see details below) make this listing one to consider. In short, these have been cruising improvements that bring this 1997 well-maintained vessel up to the condition of many later-model designs available on the market today.

This is a shared central listing with Steve Deane of Luke Brown Yachts.

Please contact John Olson at 949-673-5401.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 1997

Year Built: 1997

Country: United States
