Vessel Walkthrough

After the critically acclaimed Z44, the obvious direction for Zeelander Yachts was to develop a larger model to accentuate its very best elements. The Z55 is nearly 30% larger than its smaller sibling, giving the owner more space both above and below decks in which to enjoy this exceptional yacht.

Whilst cutting through the waves experiencing Zeelander's famous ride quality, you can enjoy the renowned 360 degree view from the wheelhouse. The extended deck area includes a wet bar with four bar stools with the raised seating area behind the helm comfortably seating eight people under a sunroof to further enhance your cruising experience. Further aft, guests can enjoy the spacious casual relaxation area that can be converted into a sumptuous full outdoor dining or sunbathing area. The clever use of space also includes a tender garage and swim platform plus side access doors for use when mooring at the quayside.

ENGINES

Together with Zeelander's pioneering noise and vibration control technology, the Z55 also offers Seakeeper Active Gyro Stabilizer technology and the Volvo Penta Glass Bridge Cockpit system, together with the Volvo IPS Dynamic Positioning System to further enhance the cruising experience.

INTERIOR

To meet individual requirements and style, owners can choose from a stunning array of paint colors on the exterior, while Zeelander's professional and experienced interior design teams recognize the need to provide an interior that is both luxurious and practical.

Below decks, the Z55 offers three staterooms; a full beam Master Stateroom that is amidships and includes a private bathroom, the luxury VIP bedroom to the bow offers a private bathroom, plus a Guest Stateroom with bunk beds will share the Day Head.

The Z55 truly offers a unique and unrivaled yachting experience.

Exclusions

Owner's personal belongings.
