Overview

The Wajer Osprey has been the go to boat for many avid yachtsmen in Europe for years. These yachts literally scatter the waters of Monaco each summer with vacationing Europeans who appreciate style, speed, and comfort when enjoying time with their families. As the European influence makes its way into cities Like Miami and New York, it will no doubt touch the Yachting industry and give us sexy, stunning boats like the Wajer. This particular yacht was a company demonstrator and with her creme colored hull and rich wood accents, she stands apart from the other "cookie cutter" boats and has a certain class unreachable by the ordinary. Don' miss a rare opportunity to own one of the Dutch works of art.
