## Overview

---

This beautiful Zeelander 44' in Stunning Gold metallic has been meticulously maintained by an avid boater who is looking to move into a larger Zeelander as soon as possible. She is in absolute pristine condition and has fewer hours than any Zeelander on the market. Her engines have a five year extended warranty from Volvo with 4 years remaining. She is aggressively priced to move as she is the only Zeelander available for under 1M. This is THE best deal on a late model Z44 without question.
