Engine Type: I/O

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

Take a good hard look, you will not see another boat like the Mirage 32' Center Console. No other boat in her class combines accommodations for 4 with such impressive economy and range. The hand-laid fiberglass hull is fully cored with structural PVC foam, creating a hull that is extremely light, but Tremendously strong and tough. Lightweight is the key to making the boat Quick to Plane and Economical to Cruise.

Hull, decks, bulkheads and stringers are fully bonded into a single structural piece. the Integral fuel tank adds to the strength.

The fine entry (56 degree) and flared bow ensure a smooth, dry ride even in extreme conditions, making her ideal for offshore duty. Ask the guys who fish Mirage for a living- this is the driest, safest, most economical 32' boat built.

Rare on the resale market, this wonderful vessel is available now!

Engine and Drive Info

Powered by a 2012 Volvo D-6 (electronically controlled diesel engine (1700 hrs), she is connected to a Velvet Drive transmission and a Military-Grade KONRAD 680 gear stern drive.

The Fuel economy of this boat is Amazing > 24 kt cruise is 3000 rpm, while burning 13 GPH. This equates to 2.2 statute Miles Per Gallon with a range of 550 miles.
