DETAILED INFORMATION

Salon & Lower Helm

Salon:

Just forward of the large aft deck through double Diamond Sea Glaze doors is a beautifully decorated and warm salon. The salon of "Akeeva" has been thoroughly refinished and boasts new upholstery/soft goods. All windows and doors have been replaced with high end units custom built by Diamond Sea Glaze.

- Diamond Sea Glaze salon door
- Diamond Sea Glaze windows (throughout salon)
- Stainless Steel Destroyer wheel with leather cover
- Wool carpet (2015)
- Custom micro-fiber headliner
- Day/night shades
- Two original Hatteras barrel chairs (recovered)
- Large leather couch
- U-Line ice maker (2015)

Lower Helm:

Forward of the Salon is the lower helm which is ideal for the cruising couple and allows them to have full control of her systems. It is easy to be right at home in the two custom covered Stidd chairs. Features:

- Diamond Sea Glaze doors (starboard and port)
- Two Stidd helm chairs (2012)
- Fully updated complement of Marine Electronics listed below:
- Custom Helm with VDO engine gauges
- Sidepower- Bow and Stern thruster controls
- Racor remote Vacuum Gauges and Water separator alarms
- Danforth Constellation Compass with cover(reconditioned in 2014)
- Aetna Digital Tachometers
- VDO- Rudder angle indicator
- Custom Bilge pump/high water, and Fire alarm panel
- Red/white chartlight
- Red/white overhead lights
- New shifter and throttle heads and cables (2014)

Navigation Electronics

Lower Helm:

- Garmin 5212 touch-screen chart plotter
- Garmin 48 mile radar
- Garmin depth sounder
- Garmin GMI-10 repeater
- AIS – transmit and receive
- Simrad AP28 autopilot with remote (2012)
- Standard Horizon VHF with remote mic for flybridge, with new Shakespeare antenna in 2013.
- Standard Horizon GX 2200 VHF with hailer and remote mic on flybridge, with Shakespeare antenna (2015)
- Rieker Instruments- Clinometer
- Chelsea Clock & Barometer

Flybridge Helm

- Garmin GMI-10 repeater
- Danforth compass (reconditioned in 2014)
-
- Garmin anemometer on radar arch (2012)

Galley & Mechanical space

Forward and down 6 steps is the large, thoroughly updated galley. The large countertops give ample room for preparation for gourmet meals or simple snacks. There is plenty of storage so that everything can have its place. Attention to detail is evident in the door pulls and decor which has to look and feel or the Hatteras original interior.

The aft bulkhead of the galley has many of the system controls for the yacht including the Inverter, Generator, and stereo. They have smartly located electrical distribution panel here as well. Just below the galley is the mechanical space which houses the generator, battery banks, and sanitation system.

Galley:

- Cork flooring in galley and companionway
- Corian-style counters/large sink
- Maytag refrigerator
- Seaward Princess, three-burner propane stove with oven
- Stainless steel, Broan range hood with lighting and dual speed fan (2013)
- Built-in GE microwave
- Diamond Sea Glaze windows
- Hydronic heating and controls

- Day/night shades
- Custom micro-fiber headliner
- Chart locker
- Dinette with Corian solid surface table

Bulkhead systems:

- Blue Seas 120VAC, 12VDC, 32VDC Electrical Distribution Panel
- Blues seas remote battery switch panel
- Salem Clock & Barometer
- Xantrex- LINK Battery monitor
- Pro Mariner- Battery Charger panel (12VDC)
- Outback- Inverter control panel
- (2) Victron Battery Monitors
- Northern Lights- Remote Generator start panel
- Alpine Stereo- CD receiver with Volume controls throughout vessel
- Tank Tender system for fuel and water tankage

Master, VIP, and Guest Staterooms

Master Stateroom and Ensuite head

The master stateroom is located aft below the salon and has access aft from the galley. It is easily the most quiet and relaxing area on the yacht. The head is to starboard and has plenty of light and ventilation.

- Queen Walk Around Berth Athwart ships with custom mattress & large drawer storage below
- Huge Hanging Locker forward (5' long) with plenty of storage inside
- Settee to port with built in drawer storage
- Custom micro-fiber headliner
- Hydronic heating with thermostat
- Reading Lights
- Overhead lighting with dimmer
- Large opening window onto the custom swimstep
- (7) Opening Ports w/ Screens and privacy curtains

Ensuite Head:

- Large vanity with countertop with storage above and below
- Vacuflush head
- Stall shower

- Opening portlight with screens

VIP Stateroom

The VIP stateroom is located forward of the master and behind the engine room to the port side of the vessel. The companion way shuts off to give private access to the guest head.

- Single side by side berths with large drawers below and side table between berths
- (2) Reading Lights
- Overhead lighting
- Samsung- LCD TV
- Large Hanging Locker
- Smoke & CO detectors
- (2) Opening portlights with screens

Guest head

- Large vanity with countertop with storage above/below
- Vacuflush head
- Stall shower
- Opening portlight with screens

Guest Stateroom and day head:

The guest stateroom is forward and two steps down from the galley. It not only has comfortable amenities for your guests but has the following additional items:

- Single over and under bunks to the starboard side
- (2) Reading Lights
- Overhead lighting
- Overhead hatch with passive ventilation
- Hanging Locker
- (3) Bronze portlights with screens
- Hydronic heating

Guest head

- Large vanity with countertop and sink and storage above/below
- Vacuflush head
- Opening portlight with screen

Engine room and mechanical systems

The Hatteras 50/53 Motor Yachts have the most amazing access and servicability for the Engines of any yacht in their size range including stand up access to all engine spaces and systems

"Akeeva" has easily the cleanest engine room boasting newly rebuilt Detroit Diesel 8V71N's and Transmissions. Her impeccable maintenance shows in her orderly, bright, well equipped engine room,. She is extremely well-found with a lengthy list of standard and optional equipment which ultimately provides a highly dependable vessel.

- Stand-up engine rooms port and starboard
- Twin Detroit Diesel 8V71 engines, naturally aspirated; port – 420 hours, starboard – 340 hours, since major rebuild by Hatton Marine in Seattle (2011-2012)
- Allison transmissions rebuilt by Hatton Marine (2011-2012)

The heating system is headed up with the Webasto hydronic heater and Everhot that will supply unlimited hot water.

- Webasto 2020 hot water heat with thermostats and fan controls in all rooms
- Everhot system- Providing virtually unlimited hot water.
- (3) 120VAC heaters in Salon, Galley, and Master Stateroom

Plumbing:

- Torrid, stainless steel, electric hot water heater, 17 gallons
- Tank Tender for forward and aft fuel tanks and fresh water tanks
- Spectra Newport watermaker - 384 gallons per day (2015)

Deck & Flybrige

The exterior of "Akeeva" is incredible. With her new paint and attention to the smallest of details, she shows like a new yacht in almost all respects. Her bow sprit, swim step, and flybridge all are

customized to make this yacht stand out way beyond any other comparable Hatteras Motoryacht.

Fore/Main Deck:

The foredeck has is plenty of room for handling the ground tackle. The Main deck moving aft has wide covered walk arounds with tall teak handrails.

- Custom bow sprit fiberglassed and finished to hull
- Ideal 32-volt anchor windlass with wired, handheld remote (2006)
- Vulcan Self-launching 88 lb. anchor
- 300' ft., 3/8" high-test chain
- Fortress FX-37 spare anchor

Aft Deck and swim step:

Through tight fitting side doors at the aft side-deck is the aft deck which has plenty of room for her heavily built teak table and chairs. Look up and you will notice another detail of the overhead as it has been finished with a smooth gloss Sterling paint. Further aft, the extended swimstep is fiberglass and is custom built into the hull.

- Teak cap rail with sunbrella covers
- Heavily built teak table
- (4) Folding teak chairs
- Lifesling- Throwable sling
- (4) removable Staple rails
- (2) Pop up cleats
- Swim ladder
- Custom, solid fiberglass spray panels
- Teak Table & four chairs

Flybridge:

The flybridge is huge and has a rigid aluminum Bimini top with high end Stamoid canvas cover. There is a heavy duty davit to easily launch the tender. Decks and all surfaces show as new.

- Stainless Steel- Destroyer Wheel at helm
- Sidepower- Bow and Stern Thruster controls.
- Full engine instrumentation
- Aetna- Digital Tachometers
- Danforth Constellation- Compass
- New shifter and throttle heads and cables (2014)
- Two Garelick helm chairs with Stamoid covers
- Propane locker with two 2.5 gallon propane tanks

- Buell air horns with compressor (2013)

Exclusions

- Novurania tender (but chocks stay as they are attached to upper deck)
- Tools
- Artwork
- Personal effects

Exclusions

Owner's personal belongings.
