DETAILED INFORMATION

Remarks

"Pay dirt" is truly a one of a kind 60' Viking, as she has redundancy systems throughout the boat. Including two davits, two genesis, two A/Cs for the Aft Deck, two anchor windlasses just to name a few.

If you are looking for a vessel to cruise the Bahamas or Caribbean with your family "Paydirt" should be at the top of your list.

Accommodations

The Viking 60' motor yacht also known as the Sport Yacht offers superb accommodations with amenities not found in yachts of this size. The arrangement plan, which provides a variety of living places, is ideal for a couple or family cruising. It affords maximum privacy for owner and guests. In addition, to the three (3) double staterooms there are essentially three distinct and separate living areas. The walk around side decks are a welcome asset particularly when it comes to close quarter's maneuvering. The aft deck is striking not only from its spaciousness, but its livability. The large windows genuinely afford beautiful views. A few steps up from the aft deck is the completely enclosed climate controlled pilothouse and the main salon is just a few steps below.

Aft Deck

The 60' VIKING offers an exceptionally comfortable aft deck providing far more than a typical aft deck, it is a second salon. The side windows open and together with the wing doors and the aft door make this a very enjoyable fresh air lounge. With everything closed and the dual zone air conditioning on, you have a fully climate controlled second salon. Forward is a built-in full service bar that includes a sink, refrigerator and storage. Above is the custom built-in teak bar and below, a storage locker. This is a delightful area for entertaining with a variety of environments possible.

The air-conditioned pilothouse is up just a few steps and affords superb shelter along with additional lounges and a fabulous panorama.

Additional features included:

- Custom burl wood table (seats six)
- Six (6) teak chairs
- Two (2) teak recliners
- Fully carpeted
- Wet bar with sink and storage
- Refrigerator 12VDC/120VAC
- Custom teak bar and liquor storage cabinet
- Complete audio system
- Telephone outlet
- Elon touch screen controls
- Fully carpeted
- Two (2) custom air-conditioning zones

Cockpit

From the aft deck down a few steps is the cockpit. This 60 is capable of serious fishing. She is fully fish rigged. The versatile cockpit offers many options. There is a custom built-in propane BBQ on the port side and loads of storage. There is a transom door to the integral swim platform. This is a perfect place for virtually every type of water sports activity. Dinghy access is easily accomplished from the large swim platform and cockpit. The cockpit is comfortable and multi-functional adding a greatly sought after and highly appreciated amenity to any cruising yacht.

Fishing Gear:

- Tackle storage locker
- Bait prep station with sink
- Rod storage locker
- Fish box
- Tundra TF20AC bait freezer (built-in)
- Custom live bait well built-in the swim platform
- Polar E1600 icemaker/chipper (supplies the fish box)
- Transom door

Other:

- Swim ladder
- CCTV camera
- Fresh and saltwater wash down outlets
- Overhead lights
- General storage lockers
- Lazarette storage with Freeman watertight deck hatches
- Dive tank storage

Sundeck

Primary access to the upper sun deck is from the cockpit with a custom ladder on the starboard side. The deck has a safety railing that makes this a flexible use area. The custom ladder has an air intake built-into one of the legs so that it is well positioned for clean fresh air for a dive compressor. A Dunnage stowage box is on the port side adjacent to the davit. Secondary access to the sun deck is aft from the pilothouse. The Marquipt 600lb davit makes this area a very capable stowage platform for a variety of items.

Salon

The lower salon affords a sumptuous environment filled with natural light from its large windows affording phenomenal views yet providing a quiet place to get away or become involved in your favorite television show, movie or music using the complete home entertainment system in a soft relaxing atmosphere. The entertainment systems are extensive and are located throughout the yacht. TracVision satellite television reception is available in the Salon as well as the three staterooms and the pilothouse. Up to four individual satellite receivers can be installed with each providing independent channel selection. In addition, there is an XM satellite radio receiver. These options combined with the CD and DVD. The recently upgraded flat panel wide screen television is built into the custom starboard joinery. When spending a great deal of time on a yacht you quickly find the ability to have your own space is welcome. Furnishings include an L-shaped port side settee with storage and Lucite coffee table. The carpeting is a soft beige. The forward galley counter is mirrored on the salon side and

along with a mirrored aft bulkhead adds depth to the open feeling. Window treatments are newly installed custom shutters and a valance with accent lighting. The primary electrical distribution panel is located aft and at eye level for easy viewing.

Full audio, video & entertainment system equipment:

- LG 47" SMART HD LED screen television
- Samsung SMART CD/DVD player
- Sony satellite receiver
- Microsoft X80X X-Box game system
- Elan-Z power surge protector
- Elan system 6 audio switcher
- Separate climate control
- Sony digital surround sound system DA7ES
- Via Migo by Elan, iPod music server

Galley

Conveniently located, it is on the same level as the salon, forward on the port side. An open counter separates the two spaces and is designed to offer exceptional working or service space while satisfying the most demanding chef. It is U-shaped in configuration with teak joinery, generous custom drawers and cabinets that maximize storage and access. The large counter top easily doubles as a buffet or bar for entertaining.

Adjacent to the galley on the starboard side is a dinette that is designed for multi-purpose use for dining or as an office area. Above the dinette is substantial custom pantry space, as well as custom storage below the seating and in the adjoining cabinetry. There is a remote RAM microphone for the VHF. As an office the area is wired for telephone and CAT 5 for internet, intercom and printer copier.

Galley Equipment:

- Off white Corian counter tops
- Panasonic Dimension microwave/convection oven
- Kenmore dishwasher
- Kenmore side-by-side Refrigerator (2010)

- Wine chiller (2010)
- Custom cabinetry with drawers and lockers for exceptional storage capability
- Gaggenau 4-burner flush mounted electric cook top
- Kenmore trash compactor
- Franke sink
- In-sink-erator garbage disposal
- Starboard pantry

Pilothouse

The pilothouse has a 360° view and is fully air-conditioned. There is a complete audio system for entertainment together with the captain and two companion Stidd helmsman seats makes this area exceptionally comfortable. An honest windshield with wipers and washers you must agree is unique for a yacht of this size. Aft and on either side are built-in lounges with storage, ideal for relaxing. The port side has an adjustable pedestal/map table perfect for drinks and snacks, as well as navigation. The pilothouse significantly increases one comfort not only with the dual climate control system, but shelter from the elements ensuring independence and piece of mind. There is just nothing else on the market that offers anything comparable to the Viking 60 pilothouse. Comfortable, enough so that the pilothouse essentially becomes a third salon. Pilot and navigation equipment include power steering, and electrical supply redundancy for safety – two radars, two VHF's, three depth sounders and a lot more.

Items include:

- Two (2) Cruisair air-conditioning units
- Separate climate control zone
- 12VDC independent electronics power supply and battery charger for the electronics
- Wired for telephone and CAT5 as well as intercom

Navigation & other related equipment:

- Garmin GMR604XHD 6KW/4' Antenna PED Radar. Pedestal and gear box complete
- Garmin GPSMAP 7212 Navigation System Complete

- Garmin B60 600v Spin Transducer
- Garmin GSD 24 Sounder FF
- Maretron Ultrasonic Wind/Weather Instrument
- Garmin GXM51 Weather / Audio XM Navsys
- Garmin GMI10 Marine Display
- NMEA 2000 Backbone
- Hatteland 15" Series X Display/Monitor
- Custom Remote Radar/GPS Alarm Panel
- Icom M604A Rear Mount VHF Radio
- Raytheon IR4000M infrared night scope camera
- Simrad AP20 autopilot
- ICOM ICM602 VHF
- Bennett trim tabs
- ITT Jabsco remote controlled searchlight
- Ritchie power damp 6" compass
- Wesmar bow thruster, 20HP, 24VDC
- Screen for 5-CCTV cameras (4 engine room, 1 mast)
- Infrared camera, on mast
- Power steering helm

Master Stateroom

Aft from the salon is the full beam master suite affording excellent privacy. Remarkable for its spaciousness the center line king size bed (new mattresses and bedding in 2010) offers no compromise with access on three sides, surely welcome. There is an abundance of storage from the full walk-in and second full height cedar lined wardrobes, loads of drawers and cabinets. Like the office/dinette area there is a remote RAM microphone for the VHF. The stateroom is wired for telephone and CAT5 as well as intercom.

The bath is forward on the port side and affords a full height and spacious stall shower. There is a built-in vanity with a sink and storage. Adjacent is a large storage locker and a full height linen closet.

- Sealand VacuFlush fresh water toilet
- Elon touch screen full video & audio entertainment control
- Sharp Aquos 25" flat screen high definition television
- Panasonic telephone/intercom

VIP Stateroom

The two double guest staterooms are forward each with its private bath offering exceptional accommodations (which has a new mattress and custom bedding in 2010). The forward cabin is a sumptuous VIP suite and larger in size than typical for a 60' yacht, with its centerline queen size bed. Aft is an ensuite large bath with a generous full sized stall shower. The toilet is Sealand VacuFlush fresh water and there is a built-in vanity with sink and storage. The stateroom is wired for telephone and CAT5 as well as intercom.

- Separate Climate control zone
- Cedar lined double door wardrobe
- Wall cabinets
- Sharp 20" Aquos flat screen high definition television
- Elon touch screen entertainment control
- Panasonic telephone/intercom
- Fore deck hatch with bug screen

Guest Stateroom

The second guest cabin is on the starboard side with classic style single upper and lower berths. Its head is forward and can be accessed both from the cabin as well as the companionway. This second access offers a day head option when needed, keeping the guest suites private. The stateroom is wired for telephone and CAT5 as well as intercom.

- Cedar lined wardrobe
- Panasonic telephone/intercom
- Reading lights
- Storage under bunks

Laundry

The laundry is accessed from the forward companionway. There is a separate Kenmore washer and dryer.

Engine Room

Excellent lighting, easy access to the various pieces of equipment and a full height easy entry makes this everything you wished for. The entry area has parts storage and the double soundproof doors keep machinery noise to a very respectable level. Equipment is placed so that it can be serviced. The two generators are housed in a sound attenuation box that provides large openings for serviceability. Also, in the engine room is the reverse osmosis water maker. Four battery banks provide direct and back up power through switches for 2 main engines, house and inverter. The inverter powers critical ships systems in case of a shut down.

- Fuel in 3 tanks
- Fuel transfer system
- Lube oil change system
- 4-Racor 1000 fuel filters with vacuum gauges for main engines
- ZF reduction gears
- Remote engine room gauge panels
- Power boost for shore power
- Rule 2000 bilge pumps
- 12 and 24 VDC battery chargers
- MaxQ reverse osmosis water maker-400 GPD with pre-filter
- Sea Fire Halon 11201 fire suppression system, Certified
- 4-Ventilation blowers
- 4-CCTV cameras
- 8-Cruisair AC compressors
- 1980 Engine Hours (As of 6/21/16)

Electrical System

- Two (2) 25Kw Northern Lights generators
- Sound attenuation enclosure
- Either generator will adequately power the entire yacht
- Battery voltage monitor
- Power boost for shore power
- 2-Glendenning 50 amp shore power cablemasters
- 12 and 24 VDC systems
- ProSine 2000 watt inverter/charger supplies power for: refrigeration, entertainment equipment and lighting the guest galvanic isolator

Deck Equipment

- Custom aluminum hinged mast with: (mast lowers for reduced air draft) 2-radars, KVH Trac Vision 6 TV dome,
- Infrared night scope,
- GPS antenna
- Bow pulpit with railing
- 2-Lewmar windlasses each with a wildcat and capstan
- Bruce 30KG anchor
- Approximately 100' chain
- Quickline 77 lb stainless steel ULTRA anchor
- Approximately 200' of chain
- Quicklift 1600# davit (on the fore deck)
- Aluminum bow rails
- Built-in fender stowage racks (fore deck)
- Marquipt 6-step tide-ride ladder (stowed on the fore deck)

Other Equipment

- Central Vacuum system, outlets only no power pack
- Intercom System
