Manufacturer Provided Description

Big-water fishing is only the beginning of the fun possible with the Baja 280 Sport Fisherman. With a huge open deck surrounding an impressive center console, there's plenty of room for friends to play, swim, scuba dive or just venture out for a night of entertainment. A forward V-berth with Porta-Potti makes the 280 Sport Fisherman perfect for overnight trips, too. For days of serious fishing, there's an in-floor fish box, recessed rod storage, and a high freeboard with coaming pads. More than just versatile - with her twin outboard power - the 280 Sport Fisherman is also very fast. Thanks to Baja's deep-V hull technology, it's stable as well in all kinds of water.
