- 10 ft RIB
- 9.9 Nissan outboard
- 2/ Engine Starting Batteries
- 3/ House Batteries

Walk Trough

Boarding is exceptionally easy with wide sugar scoop steps with a walk through into the cockpit.

The cockpit has comfortable seating for over 8 guests with a a large cockpit table to port.

The helm is only a short step up to starboard. The helm allows great visibility without sacrificing availability to the cockpit or the salon.

A large window and door makes the area appear even larger than it is and gives a feeling of sociability.

The solon is very open and light with the large sun screened side windows. The generous setting and dinning table is welcoming.

To starboard is a large and easy to see control panel. Below the panel is the large drawer type fridge/freezer.

To port is the galley with the stainless sink and pantry.

The lower hulls are identical. Descending the easy steps down, the head and shower is in mid hull. Aft is a comfortable double berth and forward is another double berth. Both have great storage and great available light.
