ХАРАКТЕРИСТИКИ

Обзор

"Sea Lab" is one of the cleanest 46 Dancers you will find. She benefits from having an owner who actually owns a marine detailing firm and her gelcoat and overall condition reflect this without doubt. "Sea Lab" absolutely glistens and with features like a custom camper canvas, EZ2CY front panels, high end Alpine/JL Audio Stereo, cockpit Air Conditioning, bow thruster, etc. she is a standout. Her reliable 435hp CATs provide plenty of power and her large cockpit plus functional 2 stateroom/2 head interior make entertaining and cruising a breeze!

ПОДРОБНОЕ ОПИСАНИЕ

Layout and Accommodations

The layout of the 46 Sea Ray Sundancer is hard to beat. The cockpit has abundant seating and storage as well as providing a comfortable vantage point at the helm to command the boat both on plane or around the dock. "Sea Lab" capitalizes on this space with a custom camper canvas and cockpit air conditioning and heating. Done in black, the canvas is in excellent condition, compliments the gleaming white gelcoat and has polycarbonate/EZ2CY front panels that are as clear as glass to look through or conveniently swing up to provide a breeze. The stainless steel windshield is striking and the model is known for her good looks and functionality. The cockpit features snap down carpet in a charcoal grey and there is an electric bench seat across the transom that can instantly fold out for a large sunpad area.

Down below the cabin is light and bright thanks to the neutral softgoods, side and overhead ports and the maple cabinetry. The galley is to port and is full featured with plenty of cabinet and countertop space. A three burner stove top is recessed into the solid surface counter and there is a built in sink. A microwave, coffee maker and updated fridge/freezer round out this area. The salon is very large for a 46 footer and has a long settee with table to the starboard side with a updated LCD TV across. The mid cabin area is cleverly designed and serves dual purpose being open to the salon and allowing for an additional sofa seating but having pocket doors (not a curtain) to be completely private when being used as a guest stateroom. The settee in this area folds out at the push of a button to make a second double berth. This area also houses a TV as well as a washer/dryer behind cabinetry. The guest head serves as a day head but is behind the pocket doors mentioned above to create a private guest head at night.

The master stateroom and head are forward and the master features a centerline queen island berth, dual hanging lockers, TV, and mirrored vanity. The head has a private entry from the master stateroom and has a large stall shower with built in seat. Both heads have Vacuflush toilets, solid surface vanities, opening ports, exhaust fans and mirrored medicine cabinets.

In addition to the cockpit and cabin space, the wide side decks lead up to a bow sunpad for those who want to relax and work on their tans!

- Interior and Cockpit Air Conditioning and Heating with Digital Controls
- Solid Surface Galley Counter with built in Sink
- Galley Sink Faucet with Sprayer
- Three Burner Recessed Stove Top with Solid Surface Cover
- Microwave
- Coffeemaker
- Updated Norcold Refrigerator and Freezer with Maple Wood Panel Front

- Under and over counter storage cabinets
- Sony LCD Salon TV
- Ultraleather Salon Settee w/ Electric Push Button Conversion to 3rd Berth
- Ultraleather Salon Inliner with Footrest
- Ultraleather Mid Cabin Settee w/ Electric Push Button Conversion to Guest Berth
- Pocket Doors for Guest Stateroom Privacy
- Combination Washer and Dryer
- TV in both staterooms
- Guest Head with Vacuflush Toilet
- Master Head with Vacuflush Toilet and Stall Shower
- Solid Surface Head Countertops
- Centerline Island Queen Berth in Master Stateroom
- AC and DC Cabin Lighting
- Pressurized Hot and Cold Freshwater System
- Hot Water Heater

Electronics & Navigation

- Vetus Bow Thruster
- Raymarine RL80 Color GPS/Chartplotter/Radar
- Raymarine Open Array Radar
- Raymarine Raypilot AP650 Autopilot
- Raymarine ST60 TriData
- Raymarine Ray220 VHF Radio
- Compass
- Analog Engine Gauges w/ Digital Hour Meters
- ACR RCL-100 Remote Spotlight
- High End Alpine Stereo System w/ Two Cockpit Remotes, Amplifiers and JL Audio Speakers (approx. \$6,000 system)
- Wood Grain Dash
- Wood Grain Adjustable Steering Wheel
- Trim Tabs
- SeaRay Systems Monitor and Alarm
- Fireboy Remote for Automatic Fire Extinguishing System

Electrical System

- 50amp Shorepower System
- 50amp Shorepower Cord
- Glendinning Cablemaster
- Westerbeke Diesel Generator in Sound Shield
- Remote Start, Hour Meter, and Gauge Package for Generator

- AC and DC Ships System
- Batteries
- Battery Chargers
- Battery On/Off Switches
- Battery Parallel Switch
- AC and DC Breaker Panels
- AC and DC Interior Lighting

Engine Room & Mechanical

- Dripless Shaft Seals
- Racor Fuel Filters w/ Pressure Gauge
- Freshwater Spigot
- Automatic Fire Suppression System
- Engine Room Lighting
- Coolant Recovery Bottles
- Engine Room Blower

Deck & Construction

- Anchor Windlass
- Anchor
- Black Canvas Bimini
- Black Canvas Enclosure w/ EZ2CY front panels
- Black Canvas Camper top and Enclosure
- Charcoal Grey Cockpit Carpeting
- Charcoal Grey Custom Seat Cover in Cockpit
- Electric Actuated Sunpad In Cockpit
- Bow Sunpad
- Freshwater Washdown
- Transom Hot and Cold Freshwater Shower
- Transom Storage
- Under Seat Storage in Cockpit
- Cockpit Air Conditioning and Head
- Cockpit Sink
- Stainless Steel Windshield Frame

Manufacturer Provided Description

Extended cruising not only requires a boat that was built for the long haul, but a boat that was built to make the trip completely enjoyable. That's why Sea Ray created the

460 Sundancer. The cockpit of the 460 Sundancer creates a relaxing atmosphere with a custom slide and swivel helm seat with a flip-up thigh-rise for the captain, and a Euro-style companion bench seat. The ergonomically designed control station not only puts the latest Raytheon electronics and Sea Ray's backlit instrumentation close at hand, it also reflects Sea Ray's dedication to style with a tan dash gelcoat and high-gloss burl wood panels. There's even a digital LCD systems monitor for engine diagnostics and pump monitoring. Passengers have plenty of room to enjoy the sun with spacious U-shaped cockpit seating (with an electrically actuated retractable sunpad), and a movable cockpit table. Carefully planned details like a snap-in carpet liner, self-bailing fiberglass cockpit liner, a wetbar in the side panel to port, and an AM-FM digital cassette stereo with six-disc CD changer, subwoofer, speakers, and a cockpit remote control make the 460 Sundancer ideal for quality entertaining. The oversized swim platform is easily accessed through a transom door. When it comes to storage, the 460 Sundancer has all the space needed for long excursions, including aft wall fender storage which keeps docking equipment neatly tucked away. Additional gear can also be stowed in the seats and side storage areas in the cockpit. The cabin of the Sea Ray 460 Sundancer has a comfortable salon with an electric sleeper sofa, movable dining table, and an entertainment center featuring a TV - radio combination, and AM-FM digital cassette and single CD stereo system with six-disc CD changer, amplifier, and speakers. A washer and dryer combination has been included in the mid stateroom for at-home convenience. Complementing the decor of the room are granite-look countertops, handcrafted wood trim, and lush marine-grade carpeting. The galley comes complete with everything necessary for long trips, including a recessed three-burner cooktop, refrigerator and freezer, microwave oven, even a Spacemaker coffee maker. Owners and their guests can retreat to their own private quarters on the Sea Ray 460 Sundancer, including a forward stateroom with a full-size bed, cedar-lined hanging lockers, vanity, and sliding privacy door with full-length mirror. In the mid stateroom, a comfortable sofa converts to a double bed by simply flipping a switch. There are two private head areas featuring a VacuFlush head with shower, plus both staterooms have their own entertainment centers with TV - VCR - radio combinations. The 460 Sundancer is powered by twin Caterpillar V-drives with a patented underwater exhaust system. The 460 Sundancer has durable underwater gear including a unique bonding system, manganese-bronze rudders and struts, seacocks on all fittings, and dripless shaft logs.
