Accommodations

From the companionway come down a few steps to the expansive saloon, galley, nav station area. Immediately to port is a U shaped galley. Just forward of the galley is a large U shaped settee set up with an elegant round cocktail table. The cocktail table is easily switched for a dining table or converted into additional double guest berth. Forward, just a bit to starboard is a short passage leading to the owner's stateroom. Further to starboard is the starboard settee. Just aft of the settee to starboard is the nav station right next to the companionway. Aft of the nav station is entry to the VIP

stateroom.

The head is to port forward just before entering the owner's stateroom. Ample storage is available in the owner's stateroom in beautifully handcrafted wood cabinetry. Similar cabinetry graces the VIP stateroom aft as well as all of the interior spaces.

- Well designed saloon serves for dinner as well as cocktail area
- 90 degree corners on settees offer multiple comfortable spaces to put your feet up, lean back and read, watch TV or just talk
- Square corners also maximize interior seating
- Gorgeous teak joinery is perfectly satin finished
- True 1/2" teak and holly sole
- 8 gleaming opening stainless steel ports bring light and ventilation into the saloon
- 2 large portlights bring more light into the saloon
- 5 stainless steel dorades for ample ventilation in any weather
- Large hatches over owner's stateroom and saloon bring light and ventilation
- Large head with separate shower
- Private VIP berth
- Forward facing nav station convenient to cockpit
- Saloon settees situated low near the center of the boat make perfect sea berths

Galley

- Double stainless steel sink with single handle faucet
- Tile counters
- Overhead hatch, opening port and companionway vent excess heat and smoke from galley
- Three burner gimballed propane stove with oven (one burner not working)
- Deep freezer and front opening refrigerator (may need additional insulation in refrigerator box to maintain satisfactory refrigerator temperature)
- Fresh water and sea water foot pumps in galley
- 2 20# propane tanks in dedicated locker
- Ample storage
