Model: Series 60

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

“JUBILEE” is owned by a very experienced couple who had previously built a 2000 85’ Burger Yacht named “JUBILEE”. They owned and cruised it extensively until last year when they downsized and purchased this 65’ Pacific Mariner. Upon purchasing this yacht, they and their full time captain literally went through every system onboard and updated, improved, and added redundancy where necessary. The goal was to ensure all aspects of the yacht met or exceeded the standard with which they maintained their previous Burger Yacht. When online listings suggest a yacht is “turn-key”, they often refer to the way it looks cosmetically, not necessarily mechanically. This Pacific Mariner is truly “turn-key” both cosmetically and more importantly, mechanically. A buyer will certainly benefit from the very recent and sincere investment made to this wonderful yacht. Owner’s change of plans creates this opportunity for a serious buyer! “JUBILEE” features a strikingly beautiful blue hull, and is immediately-ready to cruise in elegant comfort.

Accommodations

“JUBILEE” features three owner & guest staterooms, each with ensuite baths. The crew quarters are aft with a custom double berth and head. New carpeting was installed throughout the vessel in 2015, along with new soft goods in all sleeping cabins. Forward in the pilothouse and down a circular staircase to owner/guests accommodations. Forward is the VIP stateroom with queen walk-around berth and an ensuite bath. Moving aft to portside is a twin berth stateroom with night table between and an ensuite bath, which doubles as the day head with an entrance from the companionway. Moving all the way aft is the spacious full beam master stateroom with a walk-around king berth and ensuite bath.

Salon

- Furniture quality sofa with large drawers underneath
- Custom Camphor high gloss table adjusts electrically for cocktails or dining
- 2 Swivel occasional chairs to starboard with cherry table in between
- S/S framed sliding door to aft deck with retractable bug screen

- AC Distribution panel with:
- Split Buss system for flexible source choices
 - Magnetic breakers
 - Backlit labels
 - Digital amp and voltmeters
 - Charles battery chargers, 12 & 24 VDC - New 2015
 - Heavy duty battery switches
 - Battery paralleling switch
 - 8D Gel Cell batteries for engine start and house system (Engine start batteries - New 2015)
 - GRP 27 Gel Cell batteries for generators - New 2015
 - 24 VDC Lighting
 - 24 VDC Navigation lights
 - Bilge Pump warning panel
 - Telephone and CATV Outlet with 50' /Cable

24 VDC Distribution Panel With:

- Magnetic breakers
- Backlit labels
- Digital amp and voltmeters

12 VDC System With:

- DC-DC Converter
- 12 VDC Distribution panel
- Backlit labels
- Digital amp and voltmeters
- Bonding system
- 24 VDC Fluorescent engine room lighting
- Navigation light indicator panel
- Bilge pumps - 9 with automatic/manual operation
- Wiring, tinned copper with labels installed to ABYC standards

Sound Package

- High density foam cored engine beds
- 2" Double density sound foam with barrier in engine room
- Sound barrier tiles in strategic locations
- Improved generator sound shields
- Separating mufflers on generators with underwater discharge
- Silencers on air conditioning ducts
- Isolation bulkhead between master and guest stateroom
- Underwater engine exhaust with vectored cowls
- Insulation on engine mufflers and piping
- 3M Thinsulate for acoustic and thermal insulation
- Generators installed on secondary isolation mounts
- Air conditioning sater discharge underwater
- All pumps and motors installed on secondary isolation mounts
- Sound absorbing pads under carpet

Systems

Air Conditioning/Heat:

- PRIMARY - New Marineair (Dometic) 2nd chilled water air conditioning system with reverse cycle heat and dedicated raw water system - 2015
- SECONDARY - Aqua Air 60,000 BTU chilled water air conditioning system with reverse cycle heat
- Quiet rotary compressor
- Soft start inverter system
- Zoned system with electronic thermostats
- Underwater discharge water outlet for Aqua Air unit, overboard discharge for Marineair unit
- Inline silencers on ducts
- Condensate discharge system

Head System:

- Headhunter Jet-Type heads
- 125 USG FRP Holding tank
- Head pump 24 VDC 60 PSI
- 10 Gallon accumulator tank
- Holding tank pump 24 VDC
- Deck pump-out with valve
- Central vacuum with power brush and tools
- Replaced - Black water sewage pump - 2015
- Replaced - Sanitation piping/hoses - 2015

Water System:

- New 2015 – Redundant water pump system
- Water pump 24 VDC 60 PSI
- 10 Gallon accumulator tank
- 285 Gallon 316L s/s water tank
- On -demand hot water system
- Color coded piping system
- City water connection with pressure reducing valve
- Shut-off valves at each fixture
- Hot & cold outlet in engine room
- Fresh and salt water wash down on foredeck and aft deck
- Shower on aft deck
- Water heater, 30 gal. with engine coolant heat exchanger

Water Maker – Full Servicing 2015 (Beard Marine):

- Membranes replaced 2015
- Sea Recovery 800 GPD
- Fresh Water Flush
- UV Filter
- Oil/Water Separator
- Commercial Prefilter
- Plankton Filter

Mechanical/Engine Room

- Engine Room painted 2015
- Twin electronically controlled 825hp MTU Diesel engines (all hoses and clamps replaced 2015)
- Sea strainers for main engines
- Naiad stabilizers 4.5 sq. ft. fins
- Naiad 25hp hydraulic bow thruster
- Propeller shafts 2.5" 22 HS built to proprietary tolerances
- Dripless seals for rudders
- Power assisted hydraulic steering
- Generator sea strainers
- Oil change system for engines and generators
- Automatic/Manual fire Extinguisher system – Serviced and tagged 2015
- Fuel tanks aluminum coated with Imron, 1100 USG
- Fuel tank servicing - 2015
- Stainless steel exhaust elbows
- Dual Racor fuel filters for main engines
- Naiad Multisea II stabilizer controls

- Propellers (5-blade Nibral "S" Class) – Reconditioned 2015
- Spare propellers – Reconditioned 2015
- Dripless shaft seals with crossover plumbing
- Struts - heavy duty bronze with rubber cutlass bearings
- Cast bronze rudders with stainless steel posts
- Racor fuel filters for generators
- Delta T engine room demisters with 24V fans
- Seacocks on all underwater thru-hulls
- New 2015 – Portable de-humidifier

Construction

- Vinylester skin coat on hull & deck to reduce cosmetic shrinkage and provide osmotic barrier
- One piece fully cored unitized deck house
- Solid fiberglass hull bottom
- H & K Gelcoat - high gloss, UV resistant
- Vacuum bagged Airex Cored topsides
- Interlux Interprotect Epoxy barrier coat
- Foam Cored Fiberglass stringers
- Composite structural bulkheads

Canvas Package

- Pilothouse windshield cover – New 2015
- Flybridge settee cover
- Helm seat covers
- Companion way cover
- Galley hatch cover
- Flybridge dash cover

Features

- Flybridge hardtop
