- 21 KW Norpro Generator
- 4 Cruiser AC's , one new in 2013

Powerboat Guide Description

2015 PowerBoat Guide

With over 1,500 delivered, the Grand Banks 42 is easily the most successful trawler design ever produced. The mahogany construction of the original 42 Classic gave way to fiberglass in late 1973, and in 1991 the hull was lengthened and widened by a few inches to add additional interior volume, mostly in the forward stateroom and galley area as well as in the engine room. With her long keel, hard chines, and a deep forefoot, the 42 Classic ranks among the most comfortable and seaworthy cruising yachts in her class. Accommodations include a forward stateroom with a large V-berth, forward head with shower, a well appointed portside galley, starboard lower helm with deck door, large L-shaped settee with teak table, portside settee, and an owner's stateroom with queen bed and split head and shower compartments. (Note that early models have single beds in the aft stateroom.) Large salon windows provide panoramic views of the water, and the small aft cockpit is ideal for line handling. Among many engine op- tions, twin 210hp Cat (or Cummins) diesels cruise at 9-10 knots
DYSID:2918051

Basic Information

Category: Trawler

Sub Category: Aft Cabin

Model Year: 1986

Year Built: 1986

Country: United States

Dimensions

LOA: 42' 0" (12.80m)

Beam: 14' 1" (4.29m)

Max Draft: 4' 2" (1.27m)

MFG Length: 43' 3" (13.18m)

Speed, Capacities and Weight

Cruise Speed: 10 Kts. (12 MPH)

Cruise Speed RPM: 1800 Kts.

Displacement: 37400 Pounds

Water Capacity: 265 Gallons

Holding Tank: 50 Gallons

Fuel Capacity: 600 Gallons

Accommodations

Total Cabins: 2

Total Berths: 3

Total Heads: 2
