SPECIFICATIONS

Overview

This extended Cockpit 58 Hi Star MYF is a MUST SEE! Originally designed with the cockpit extension so that it can be used as a Motoryacht or Yacht Fish. It has been in the process of restoration for over a year. The custom woodwork and design is a work of art. From the aft deck dining and/or entertaining area, to the custom designed salon and galley amenities. All woodwork, counters, floors, appliances (etc.) are new. The quarters below are original but updated. Engines and engine room have been serviced and detailed. Exterior was painted and decks are all non-skid.

Too much detail to list. Please see full specs and contact broker for more details.
