ХАРАКТЕРИСТИКИ

Обзор

Cruise equipped and ready to go! If you are looking for a sturdy, quality built and well cared for cruising boat, look no further...

NEW STANDING RIGGING 2015, Stack Pack Main and Mizzen, Solar panels, SSB, Dinghy Davits and more...

"Sundance" will turn heads at the docks and at anchor. The original exterior gel coat is in excellent condition and the teak on deck has a high gloss varnish.

The mechanical and electrical systems have been professionally maintained and upgraded. Westerbeke 40 hp engine is reported to be overhauled in 2004 and has 2514 hours. Additional components, transmission, V drive, exhaust elbow have all been replaced or rebuilt.

You will enjoy the tremendous refrigeration and freezer capacity, large head with separate shower stall, large V berth with custom sheets, the quality finish on the interior wood and teak and holly sole, aft facing navigation station and new upholstery.

"Sundance" has had caring owners who have upgraded and maintained her. She was a fresh water boat until just the last years when the owners have taken an annual 4 month winter cruise in the Bahamas.

She shows very well and deserves your strong consideration!

Основная информация

Тип судна: Крейсерская яхта

Подкатегория: Классическая яхта

Модельный год: 1978
