SPECIFICATIONS

Overview

The 2013 Marquis 500 Sport Bridge is a very special vessel. Every last detail has been scrutinized to reflect Nuvolari-Lenard and Marquis Yacht's combined reputation for obsessive attention to design detail and unmatched yacht construction quality. This 500 is particularly well equipped with extended VIP stateroom, hydraulic swim platform, full array of navigation equipment at both upper and lower helms, cockpit galley, premium stereo systems, and entertainment systems, including Sat TV!!!

This Marquis is a performance yacht operated from either the flybridge or the fully equipped salon helm station. Power is supplied by three Volvo Penta D-6 diesel engines coupled to IPS rotating pod drives – the most innovative and efficient engine / drive system available. The result is superb slow speed torque; thrilling top-end speed and exceptional joy stick controlled slow speed maneuverability. And, while powerful – this engine and drive combination is quieter and more efficient than traditional shaft driven propulsion systems.

The features incorporated into this yacht reflect forward thinking from the Nuvolari-Lenard design team. The low profile sport bridge is for people who love fresh sea air and warm sunshine. There is no shortage of lounge space. Choose the privacy of the triple-wide foredeck lounge or the contoured bridge lounge or the spacious sun pad aft of the bridge.

With the opening of the aft bulkhead doors, galley, salon, cockpit and swim platform are integrated into a single level social area. For additional cockpit space the transom is moved aft with a simple touch of a button. Awe inspiring interior appointments include yacht finish woodwork custom crafted from a number of exotic hardwoods.

The prestige associated with the Marquis brand has been earned over time and is undisputed by the world's most knowledgeable yachtsmen. The new Marquis 500 Sport Bridge reflects the knowledge of a highly refined owner that recognizes world class style and fine yacht quality.

Basic Information

Category: Cruiser

- Dinette Table - Convertible Table Dinette to Berth

Galley

- Galley - Stove 2 Burner Electric Top
- Galley - Trash Compactor (in lieu of trash receptacle)
- Galley Storage
- Galley - Dishwasher
- Galley - Marquis Exclusive Crystal Decanter
- Galley - Marquis Exclusive Crystal Highball Glasses (Set of 8 glasses)
- Galley - Marquis Exclusive China (6 place setting)
- Galley - Marquis Exclusive Flatware (6 place setting)
- Galley - Marquis Exclusive Crystal Glasses - Mineral Water, Wine and Champagne Flutes (Set of 6)

Master Stateroom

- Master Stateroom - 19" LCD TV & Blu-Ray Player
- Master Stateroom - Stereo
- Master Stateroom Safe
- Spa shower with massage jets, steam generator and teak decking on bench seat and floor
- Central Vacuum System

Helm

- Access panel - provides access to wiring below helm
- Accessory space - for installing navigation equipment

- Accessory outlets (1) - 12 volt
- Beverage holders
- Fire extinguisher alarm - automatic
- Engine Displays - digital LCD 7", tachometer, hourmeter, engine oil pressure, engine coolant
- temperature, engine battery voltage, transmission fluid pressure, transmission fluid temperature
- rudder angle
- Gauges - analog, fuel level
- Helm seat - 6-way power, bench style, high-quality marine-grade upholstery, embroidery stitching
- storage underneath
- Overhead red night reading light
- Rocker switch controls
- Spotlight control
- Tilt steering wheel
- Volvo IPS Joystick control
- Windshield wipers/washers (2) port &, starboard
- Windshield defoggers

Flybridge

- Bridge Stereo with JL Audio Speakers
- Helm and Seat Covers
- Beverage holders (5) - stainless steel, 2 at helm, 3 near aft sunpad
- Bridge Cover
- Bridge sunpad – accommodates 2 adults, located forward with single helm layout, or located aft with
- double helm layout
- Bridge Table – fiberglass top with 2 beverage holders built-in, highly polished stainless steel pedestal
- fixed height
- Courtesy lights (6) - LED for floor illumination
- Electronics arch – welded premium grade aluminum painted with AWLCRAFT 2000 acrylic urethane
- topcoat for use in harsh marine environments.
- Lounge seating – low profile backrest, with storage beneath seat cushions. Inclined backrest on
- forward seating section with double helm layout
- Safety rail – 1.25" O.D., lineal-buffed 316 stainless steel connecting arch, bridge and sunpad area
- Safety rail stanchions – double-welded (inside &, outside), 316 stainless steel, anchored to aluminum

- backing plates laminated into deck
- Self-draining walking surface

Electronics & Electrical System

- Raymarine Hybrid Touch
- Raymarine Auto-Pilot
- Raymarine GPS
- Raymarine Radar and Chartplotter
- Sat HD TV
- AC/DC distribution panels with magnetic circuit breakers and integral generator and bilge blower controls,
- AC voltmeter AC ampmeter, DC voltmeter &, DC ampmeter
- Batteries (3) - 31 series starting batteries, Deka Marine®, cold cranking rating of 950 amps, reserve
- capacity of 205 minutes at 23 amp draw, 100 amp/hour rating [(3) engine]
- Batteries (3) - dedicated 31 series, Deka Marine®, deep cycle, (12V), cold cranking rating of 950
- amps, reserve capacity of 225 minutes at 23 amp draw, 105 amp/hour rating [(1) generator, (2) ship service]
- Battery chargers - (1) 20 amp charger for the engine batteries,
- (1) 60 amp charger for ship service
- batteries and generator
- Battery switches on/off - (3) engine, (1) ship service, (1) generator
- Dockside inlet - CATV with 50' (15,2 m) white cord
- Generator - 15.5 kW Westerbeke 60 Hz (12 kW 50 Hz)with sound shield, dedicated 31 series battery &, 5 year warranty
- Ground Fault Circuit Interrupt (GFCI) protection - all electrical outlets
- Marinco® dual 240V/50 amp (230V/32 amp internationally) shore power cord - 50' (15.2 m) white
- Shore power connector - dual 240V/50 amp (230V/32 amp internationally)

- Wiring system - tinned copper strand wire, harnessed, color-coded, labeled, meets or exceeds ABYC
- standards

Mechanical Equipment

- Engine oil change system
- IPS cockpit joystick control
- Dual cablemaster for shorepower
- Air Conditioning - Tropical: 46,000 BTU (recommended for areas where outside ambient temperature has range of 90-95 degrees fahrenheit or 32 - 35 degrees celsius)
- Generator - Kohler 23.0 kw - 96 amps / 240V

Deck, Cockpit & Hull

- Cockpit Grill
- Teak Decking
- Underwater Lighting
- Cable Masters
- Freshwater Washdown
- Hydraulic Swim Platform
- Reclining Sunpads
- Titanium Hull Paint
- Bottom Paint
- JL Audio Speakers

Safety

- 65-5-5-5 marine grade bronze seacocks for all underwater thru-hulls
- Active corrosion protection for Volvo IPS - replaces traditional zinc anodes, triple redundant protection
- integrates with EVC displays, monitors and adjusts potential voltage in surrounding water to an
- acceptable level
- Automatic engine synchronization
- Battery master disconnect switches
- Battery restraint brackets and boxes
- Bilge alarm - high water

- Bilge blowers (12V)
- Bilge pumps (4) - (2) 2000 gallons/hour (7570 liters/hour) each,
- auto/manual operation, (2) 1100 gallons/hour (4163 liters/hour) each, automatic operation
- CO detectors in salon and staterooms
- Compass (Fly Bridge Helm) - Ritchie® illuminated, flush-mount 4.5" (11,4 cm) dial
- Compass (Lower Helm) - Ritchie® illuminated, flush-mount 4 1/2" (11,4 cm) dial
- Engine alarms - temperature and oil pressure
- Horn - International, 123 dba (12V), mounted on arch
- Internal bonding system with 8 gauge size wire, ABYC compliant
- Isolation transformers on the internal shore power lines with ELCI
- Inlet Breakers 60 Hz
- Windlass package - 44 lb. (20 kg) Davis® anchor &, 150' (46 m) of 5/16" (8 mm) chain
- Molded nonskid surfaces on all walk decks - diamond pattern
- Navigation lights - USCG/COL REG approved, mounted on arch
- Spotlight - electronically controlled, Golight® Stryker™
- Racor® fuel filters - engines &, generator
