SPECIFICATIONS

Overview

New genset and only 450 hours on engines.

Basic Information

Category: Cruiser

Model Year: 1999

Year Built: 1999

Country: United States

Vessel Top: Arch

Dimensions

LOA: 31' 6" (9.60m)

Beam: 11' 2" (3.40m)

Speed, Capacities and Weight

Water Capacity: 35 Gallons

Holding Tank: 28 Gallons

Fuel Capacity: 200 Gallons

Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 5.7L Bravo III MCM

Fuel Type: Gas

DETAILED INFORMATION

Major Features

With her striking profile and luxury accommodations, the Sea Ray 310 Sundancer was designed for upscale boaters willing to pay top dollar for a quality midsize express. She is a wellcrafted boat better finished than previous Sea Ray models with first-rate appliances and furnishings. When the 310 was introduced in 1998, she came with an unusual floorplan that required those using the forward kidney-shaped berth to climb over the circular dinette seat. Sea Ray dumped that plan in 1999, replacing it with a more conventional layout with an angled double berth forward and a conventional dinette with facing seats.

In both configurations, a roomy mid cabin offers true seclusion thanks to a real door instead of a curtain. The Sundancer's large cockpit has everything for relaxing and entertaining including a triple helm seat (with a flip-up seat for the driver), U-shaped aft seating, and wet bar with removable cooler.

For engine access, the entire bridge deck rises electrically at the push of a button. Among several engine choices, twin 260hp MerCruiser V-drive inboards cruise the 310 Sundancer at 18 knots (26-27 knots top).
