SPECIFICATIONS

Overview

This 1988 63' Ocean Yacht is truly unlike any other on the market. With a complete re-manufacture and overhaul done in 1996, this vessel boasts numerous upgrades that make it a fish-ready battle-wagon today. This boat has constantly been upgraded and refit to ensure it remains a competitive sport-fishing force to be reckoned with. The interior layout has had a dramatic makeover which makes this boat feel almost new. Topside was buffed and waxed January 2016. Hull was sandblasted and re-painted in April 2015.

The 15' Boston Whaler on the bow adds another level of usability that makes this vessel family friendly as well!

DETAILED INFORMATION

Vessel Walkthrough

Stepping aboard the vessel, you are greeted with a spacious 300 square foot cockpit boasting a fighting chair, tackle stations and in deck fish box. From the cockpit, you will enter the salon on the starboard side of the vessel. Immediately inside the door, there is a tackle and storage station with a sink to starboard. The salon boasts a large, overstuffed, leather L-shaped couch to port. The galley extends out from the port side forward bulkhead with plenty of counter space for cooking and serving. To starboard, in the forward part of the salon there is a second L-shaped couch with an optional dinette table for meals.

As you move forward down the stairwell to starboard, there is a long hallway that splits in two directions. To port, you will access the crew hallway. This space boasts two cabins, each with twin berths, as well as a storage locker and a crew head. From the stairwell, straight ahead you will see a large glass-enclosed rod locker. Across from that, the mid-ship master stateroom is accessed. The master stateroom features a queen sized bed, full size shower and dry head, as well as a stand-alone vanity. All the way forward, the VIP stateroom boasts a full size bed, with a private head, walk in shower, and stand-alone vanity as well.
