SPECIFICATIONS

Overview

This almost-new 43 Astondoa is a rare opportunity in today's hot market. A very high quality, stylish boat with a power sunroof and full tender garage beneath the cockpit sunpad, she exhibits all of the attributes one wants for a fun day boat while also offering two full cabins and two full heads for extended cruising with another couple.

She is a nearly new vessel with all of the advantages of a new boat but a significant discount off of her \$922,000 original price due to a change in the owner's plans. Volvo IPS600 diesels with the joystick system and only 176 hours make performance and economy second to none. A Sat TV system is included, as are the stunning red hullsides, teak decks, and amazing exterior and interior finishes.

Captain-maintained and turnkey ready for her next owner, we do not expect her to last long at this price. Please contact us to arrange a private showing of this great opportunity.
