SPECIFICATIONS

Overview

"RR Tyme" is a beautiful yacht that has spent 99% of her life in fresh water and is in outstanding condition. She has been meticulously maintained and was always kept in indoor heated storage. She has only 935 hours on her Caterpillar 3196, 660 hp diesel engines. Recent survey recommendations have been updated and 1000 hour service is completed. Her layout offers a tremendous cockpit for entertaining, two staterooms, two heads, large galley and twin salon sofas. This is a huge 51' yacht with her 15'6" beam. She is loaded with many options which include a hydraulic swim platform, upper cockpit air conditioning with reverse cycle heat, hardtop with full canvas, full electronics including SAT TV, custom tunnel drives to reduce running angle, windlass, cherry interior wood, shore cord recoiler, bow thruster, electric slide out bar in galley, and spare props.
