Overview

The Cruisers Yachts 477 was well ahead of its time and is a rare find. If you're seeking a 50', diesel powered yacht with modern styling, without the new 50' \$1,000,000 price tag, this is your perfect yacht. Powered by Volvo Penta D6-500's, it will cruise at a nice clip without burning tons of fuel. 100% fresh water kept, by its 1 owner, an engineer. Full specs and details available upon request.
