Overview

The All NEW Gran Turismo 40

The new design of the Gran Turismo line is tailored to the American market. The new 40 GT will be replacing the very popular 38 GT which was launched in 2012. Her main differences from the 38 GT are her new sexier lines designed by the famous Nuvolari-Lenard architects, her re-designed cockpit layout which now includes a hydraulic swim platform option, and the re-designed head layout which now offers an enclosed shower stall.

She is equipped with generation 2 of Beneteau's patented **air step** design which increases her top speed by **1.5 knots** and allows her to carry an additional **1,500 lbs** with the same engines as the 38 GT, the D4 300 HP Volvo diesels. Beneteau is now also offering the option to upgrade to the D6 370 HP Diesels which would give the new 40 GT a top speed of almost 39 knots.

Call today to find out more about her many unique features and options including:

- **2 x Volvo D4 300 HP Diesel (sterndrive joystick) or 2 x Volvo D6 370 HP Diesel (sterndrive joystick)**
- Center Helm Design
- *2 Full Staterooms and One Head with Separate Shower*
- **Hydraulic Swim Platform**
- **Simrad NSS 12" Evo 2 Screen**
- 16k BTU Cockpit A/C
- Fiberglass Hardtop with built in **Electric Sunroof**
- Transom Mounted Galley with **Electric Grill** and **Sink**
- and much more..... Click on Full Specs to see more details

Every new Beneteau comes standard with a 3 year stem to stern warranty and a 7 year structural warranty.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 40' 0" (12.19m)

LWL: 37' 9" (11.51m)

Beam: 12' 8" (3.86m)

Min Draft: 3' 0" (0.91m)

Max Draft: 3' 7" (1.09m)

Clearance: 13' 7" (4.14m)

Speed, Capacities and Weight

Displacement: 16861 Pounds

Water Capacity: 53 Gallons

Fuel Capacity: 172 Gallons

Accommodations

Total Cabins: 2

Total Berths: 2

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Volvo

DETAILED INFORMATION

Air Step 2

Air Step 2 is an evolution and an upgrade of the first generations based on Beneteau's customer experience and their R&D Department.

The concept remains the same as the first generation: a V-shaped step under the hull with hard chines in the aft that generate a perfect grip when turning. The step creates an "air cushion" which reduces the drag thus improves performances and brings a smoother ride.

Air Step 2 has different air intakes under the hull. These are more simple to build but most of all they dramatically increase the air flow in the step.

There is **3 times more air** than the first generation air step. The results are significant:

- **1.5 knots more** in top speed
- Even less bow rise than in generation one. (*almost no bow rise at all*)
- Can now carry **1,500 lbs more load** and gear onboard without decreasing top speed (*this means more equipment and comfort with the same performance*)

Exterior

Radar Support

Courtesy lights in cockpit

Navigation lights

Mooring Equipment

- Swivel bow fitting with anchor securing system
- 1000 W Electric windlass (with remote control)
- 2 Forward cleats, 2 central and 2 aft in stainless steel

Safety on Deck

- Half open pulpit in stainless steel with guardrail and hand rail
- 2 Stainless steel handrails on access to side decks steps

Cockpit

- Self-bailing cockpit
- Access through a gate with safety catch
- 8 Person salon convertible to sun pad

- Teak cockpit table converts into sun lounger
- Chase lounge to starboard
- Double bench seat to port
- Storage locker under seats
- Transom mounted galley with electric grill and sink
- Double access engine hatch
- Space for cased life-raft
- Cockpit shower with mixer tap
- Hydraulic Swim Platform (10'6" x 4'1") - optional + Swim Ladder
- Optional Electric cockpit side windows
- Hand rail on aft transom
- Choice of exterior PVC upholstery: -Ivory and Mocha (standard), - Luxe Beige and Cream PVC with diamond pattern (optional)

Helm Station

- Central Helm station in cream colored fiberglass
- Double pilot bench seat with bolster
- 3 Copilot seat to starboard
- 2 Handrails
- Gloss black dashboard with PVC padded cap in cognac color
- Volvo screen 4"
- Space for electronics 12"
- 12 V Socket
- Fiberglass hard-top with built-in electric sunroof
- One piece windshield with built-in electric wiper
- Anti-reflection covering under windshield in grained mocha colored fiberglass

Interior

Woodwork Alpi Walnut Matte Finish

Brown Oak Laminated Floors

Direct and Indirect LED Lighting

Salon

- Headroom: 6'4"
- 4 person sofa
- Table in matte walnut wood, stainless steel pedestal
- 4 Storage cupboards
- 2 Storage lockers under salon seating

- Light wells
- 2 Opening portholes

Galley

- Headroom: 6'4"
- Stainless steel sink with mixer tap
- 2 burner glass cooktop
- White corian type worktop
- Cutlery storage
- Under counter Fridge
- 3 Storage drawer, Bin
- Cream-lacquered furniture
- 1 Storage cupboard
- 1 Opening porthole

Head

- Headroom: 6'5"
- Basin with mixer tap
- Mirror
- 2 Storage Cupboards
- 1 Opening porthole
- Shower separated by translucent door
- Marine toilette
- 21 US Gal rigid holding tank
- Teak slatted floors
- 1 110 V socket

Owner Cabin Forward

- Headroom: 6'3"
- Double berth
- Padded bed head board
- 2 LED reading lights
- 2 Shelves
- 2 Hanging Closets
- 2 110 V sockets
- 2 Panoramic windows with opening ports and blinds
- Opening deck hatch with mosquito blind
- 3 Storage drawers (under the bed)
- Indirect lighting (under the bed)

Guest Cabin

- Headroom: 6'4"

- 2 Single berths or 1 Double berth (filler cushion)
- 2 Panoramic windows with opening ports and blinds
- 1 Opening hatch with fitted blind
- 2 Hanging closets
- 2 Storage lockers
- 1 Bed head with drawer
- 2 LED reading lights

Electronics Pack

- Simrad NSS 12 Evo 2
- Simrad Auto Pilot
- Simrad WIFI Connection Module for Ipad
- VHF + AIS
- 4G Simrad Radar

Engines

- Volvo sterndrive joystick
- STANDARD POWER: 2 x Volvo D4 300 HP Diesels - 29 knot cruise + 34 knot wot
- OPTIONAL POWER: 2 x Volvo D6 370 HP Diesels - 33 knot cruise + 39 knot wot
- Electric throttle and controls
- Joystick Docking
- Fuel filter with decanter
- Sea water filter
- Air intakes on the deck for engine compartment cooling
- Engine room foam soundproofed
- Fire extinguishing system activated from the steering station
- Stainless steel fuel filler
- 2 x 86 US Gal fuel tanks
- Hydraulic steering
- 2 Drives with counter rotating propellers

Electrical

- Single 50 Amp shore power cable with (optional) grounding cable master
- 5 KW Cummins Onan Generator
