SPECIFICATIONS

Overview

This 2013 30' Beneteau Barracuda has been captain maintained since ownership. She has been lightly used with seriously upgraded electronics, including HD Radar, auto pilot and electronic automatic trim tabs. This vessel has a warranty remaining on her twin Yamaha 225.

This impressive layout has plenty of seating in the bow and stern and a gracious flybridge as well as an air conditioned pilot house. This is very seaworthy vessel that has traveled back and forth between the Florida and Nassau, Bahamas without any issues. It has a removable additional gas tank system so that it can do this trip without refuelling. The owner is selling because he has recently purchased another boat.
