Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Staterooms: The lower accommodations level is accessed through a spiral staircase, starboard of the main helm. At the foot of the staircase and forward is the VIP Stateroom, and the Master Stateroom is aft. The Master Stateroom features a queen island berth amidship. Both staterooms have cedar lined closets, ensuite VacuFlush heads with shower. There is ample storage in each stateroom as well. Galley: Forward on the same level is the breathtaking galley, partially separated from the salon by a cherry paneled island and overhead china cabinet. The drawer and cabinet storage is abundant. Pilothouse: The main helm is in the raised pilothouse and features full instrumentation, controls, and displays. There is ample room for charts and other reference material. There is a ladder/ staircase that leads to the Command Bridge. There is a wrap-around sectional sofa that will seat seven guests comfortably. The settee has abundant storage and the open bridge deck provides access to the aft deck and outer stowage lockers. Engine Room: The engine room is accessed from the aft deck and is the heart of the Weldon 480. There is a generator in a sound shield cabinet for quiet operation. She is powered with twin Caterpillar 3126 turbo diesels, 420 hp which cruises at 16 knots. When you see the perfection of the mechanical and electrical systems, you will understand the degree of excellence to which Weldon Yachts are constructed.
