DETAILED INFORMATION

Introduction

BOHEMIA III's hull has an additional coat of deep dark navy blue Awlgrip. **BOHEMIA III's** boarding doors are located fore and aft, on the port and starboard sides, and along with transom doors just steps up from the swim platform. The aft deck has a teak dining table with a Compass Rose and a full-width aft sunscreen to keep the direct sunlight out. The grill on the aft deck is in an enclosed cabinet on the starboard side. Port and starboard wing doors keep the aft deck dry while cruising and adds privacy. On the port side of the aft deck are the molded stairs leading to the flybridge. The upper bridge deck: Storage for a 14' AB inflatable tender with a Yamaha 75 hp outboard motor. The inflatable is lowered into the water with the Airtex #1600 davit with telescopic boom, allowing for easy operation and keeps the tender away from the yacht while loading on or off the vessel. **BOHEMIA III** has a factory installed Jacuzzi on the upper bridge. Perfect for afternoons, watching the sun drop down to the horizon, when the ocean temperature is too cold.

Command Bridge

The Command Bridge has an on-deck head with sink and cabinet. Forward from the head is a U-Line refrigerator in a teak cabinet. There are teak and holly soles throughout. A triangular shaped teak dining table designed for seating six at a height for guests to see forward toward the horizon. There are watertight doors port and starboard that offer a cross breeze. All of the hatches and doors have Ocean Air screens (2) Stidd helm chairs Modern electronics **BOHEMIA III** was fitted with a wireless, hand-held Yacht Controller. Yacht Controller operates bow and stern thrusters, along with the throttles as well, and windlass.

On top of the command bridge are **10 recessed solar panels** that keep the batteries charged without the use of generators. From here check batteries, cameras in engine room, fuel level, and coolant level prior to departure.

Galley/Dining Area

The galley is to starboard and features granite counter-tops, top quality appliances, and two sets of drawer style Sub-Zero freezers, Dacor Oven, Dacor Smooth Range Top, Microwave/Convection Oven, garbage disposal, trash compactor, and drawer style Fisher-Paykel dishwasher. On the forward side of the galley there is an additional Sub-Zero freezer. To port is the U-shaped dining area which can seat six. The dining area is raised from the galley deck giving a fantastic view of the surroundings outside. There is storage under dining seats. All the teak cabinetry in the yacht has been supplied by the same teak log, there is continuity in both look and finish. All the drawers throughout the yacht have dovetail joinery and only the highest

quality drawer slides and drawer pulls are used.

Staterooms

Forward of the galley and down the centerline stairs, brings you to the owner and guest cabins.

Owner Stateroom

The full width owners stateroom includes a centerline king sized berth, a large outwardly curved dresser flanked on both sides by hanging lockers with louvered ventilated teak doors. Across to port is a custom vanity with mirrors and hanging locker storage. Aft are his and hers private heads with a shared shower. The counter-tops and deck in the heads are black/silver granite surrounded with teak. 55" Flat screen TV.

VIP Stateroom

Forward is the VIP stateroom with a centerline king sized berth, drawer storage below as well as upper storage cabinets, all teak, with ventilated doors. There are two overhead watertight hatches with Ocean Air privacy screens. The large head has a huge shower with a curved lexan-glass, teak trimmed door. Full entertainment system.

Guest Stateroom 1

To port is a private stateroom with twin beds with ensuite head with private shower.

Guest Stateroom 2

To starboard is a double sized berth. Under the berth is the Bosch washer and separate dryer encased in beautiful teak cabinetry. There is also a TV and its own stereo in this area which makes this a great place to get away from the crowd to relax and read a book, or take a nap in total comfort.

Salon

Aft of the galley and down a couple steps is the main salon, bar, and office with a granite bar top that separates this area from the salon. Sub-Zero wine cellar Z-Zone All seating has storage compartments with gas pistons to assist lifting seats 42" Pop-up TV Start day with coffee at office

on main salon, call family, Facetime.

Aft Deck to Crew Cabin

Under the aft seat there is an access hatch leading down to the lazarette. A teak door leads into the full height crew quarters with twin beds and head with a full stand-up shower area. Access to crew through transom door. TV with separate stereo system and a microwave oven and refrigeration for the crew.

Broker Comments

The owners of **BOHEMIA III** spent roughly 8 months a year living aboard their previous boat from 2004 to 2009. Prior to building **BOHEMIA III** they thought of many features that greatly increase the enjoyment of offshore living. Examples: ♦ His & Her heads in the Master Stateroom ♦ Extra hanging lockers in the Master Stateroom ♦ Extra high seating in the dining salon for enjoyable panoramic view ♦ Recessing the molds to hide the solar panels from view and decrease wind-age ♦ A laundry center with ironing board and folding table ♦ A head on the flybridge ♦ Seats in the main salon have gas pistons and hinges for easy access to the storage underneath. ♦ A fiberglass extension on the transom, removes the slapping sound of water under the swim platform. ♦ Standing headroom through the entire crew quarter ♦ Larger C-32's for the increased speed ♦ 20 hp Bow and Stern thruster ♦ Extra fuel capacity ♦ Fiberglass extension on transom to reduce wave slap under swim platform, also adds 1 knot cruise at trawler speeds ♦ Loads of line storage in Portuguese bridge and hurricane prep lines in aft crew area

Exclusions

Owner's personal belongings.
