SPECIFICATIONS

Overview

"Lynn Marie" is #24, the last 63' Hatteras built. She is also the most extensively equipped and the most customized. Her original engineer/owner and Hatteras managed to make her appreciably lighter with a lower center of gravity. This yielded a better ride with a greater turn of speed. At 1,900 RPM, she is cruising an honest 24knots and burning 96 gph. Her Owner is particularly fastidious about her maintenance and care; she is as close to a true 10 as a yacht can get; without a doubt, the nicest 63 ever built!

New Interior and Updated Electronics (2016).

DETAILED INFORMATION

Vessel Walkthrough

The 6300 Raised Pilothouse Motor Yacht, with her sleek design and contemporary flare, features frame-less windows, large Aft Deck and Flybridge with fiberglass hardtop by Pipewelder's, walk-around side decks and a fully integrated swim platform.

The spacious salon and roomy galley are courtesy of her very wide beam of 18'3". The interior is Makore wood and the countertops are done in Avonite. The air conditioning is vented the entire length of the salon and galley through slotted areas in the wood moldings, which allows for an even air flow.

Starting below and forward is the VIP Guest Stateroom with queen centerline berth and an adjoining bathroom to port. Next to Starboard is the Guest Stateroom with upper double and lower single berths and bathroom across to port. The Master Stateroom is amidship with a custom over-sized queen berth to port and an en suite bathroom to starboard with a tub/shower combination.

The double berth crew cabin with head is all the way aft in place of the Lazarette. The Crew Cabin has additional A/C and a 10" flat-screen television with DVD. Forward on the main deck is the Raised Pilothouse with L-shaped lounge and table that lies to port. The access to the Flybridge is from the Pilothouse. The Galley is next aft and to port as well.

The Salon is next with an L-shaped sofa to port. Following is the large Aft Deck which is sheltered by the fully extended Flybridge. There is access from the Aft Deck to the Flybridge via a ladder. A hatch in the sole leads to the spacious Engine Room and Crew Cabin.

Walk-around decks lead to the Foredeck and steps from the Teak soled by Teak Decking Systems Aft Deck lead down to the Teak soled swim platform. The entire vessel has a Panasonic phone PBX system throughout.

Aft Deck

The large Aft Deck has a custom Teak table, new in 2007, with ample seating for six people. There is access to the side decks from either port or starboard side and a ladder to the Flybridge area. Stairs from the Aft Deck lead down to the fully integrated swim platform, which has a hot and cold shower.

- Molded bench seating with cushions
- Custom wood table
- Molded fiberglass steps to the side deck
- Molded fiberglass steps with lights to the Sport Deck

- Stainless steel gate to Sport Deck
- Stereo speakers with volume control
- Aft Deck controls
- Aft Deck depth finder, Simrad pilot, remote

Salon

The Main Salon features a custom L-shaped sectional sofa with storage beneath the removable cushions, a bar with icemaker and an entertainment center. 2" wood blinds are encased in wood molding in the Salon and Galley with Roman shades and custom lamps.

- L-shaped custom sectional sofa with storage underneath
- Entertainment center
- Bar with Scotsman icemaker and bottle storage
- Carpeting
- Carpet runner
- Fluted wood valances and 2" wood blinds in recessed pockets and Roman shades
- Aft door shade
- Stainless steel three-panel door to Aft Deck with safety lock
- Dual zone air conditioning vented through decorative valances
- Port and Starboard DC low level lighting behind Salon valances
- Avonite bar top with a custom-mounted lamp
- Smoke detector
- 42" Plasma TV
- Ottoman w/ storage
- Film on all windows to reduce UV and heat

Galley

The slightly recessed Galley is to port and is fully-equipped. It features Amtico sole covering, Avonite countertops with bullnose edge, under counter refrigerator/freezer drawer units, trash compactor, dishwasher, 4-burner cooktop and microwave/convection oven.

- Amtico vinyl strip sole covering with a Compass Rose
- Avonite countertops and backsplashes
- Under-counter Sub-Zero refrigerator and freezer drawer units
- Whirlpool 4-burner cooktop and oven
- Garbage disposal in large stainless steel sink
- Sharp microwave/convection oven covered by wood door
- Kenmore dishwasher (2014)
- Water level gauge

- Franke faucet
- Large pull-out drawers with safety locks for pantry storage
- Electronic water tank indicator
- Ample dimmable lighting
- Outside vented extractor fan for cooktop

Pilothouse

The open plan of the main deck incorporates the Pilothouse, which features a dinette lounge just aft of the two helm seats. A starboard side door gives access to the side deck and curved steps with lighting down to the lower companionway is to starboard.

- Amtico vinyl strip sole covering
- Avonite L-shaped lounge
- Storage area with flat top for charts
- Intermittent electric windshield wipers/washers with controls
- Windshield cover for privacy
- Windshield defogger
- Hydraulic power assisted steering
- Single lever clutch and throttle controls (electronic) with emergency back-up and engine synchronization
- Compass with dimmable light
- Rudder angle indicator
- Control station with all necessary switches and dimmable lighted instruments
- Electric fuel gauge
- AC distribution
- DC electronics panel
- Telephone outlet
- Stainless steel steps to Flybridge
- Storage locker with lights
- Stereo speakers with volume control
- Smoke detector
- SAT Radio with 6-CD changer

Master Stateroom

Double entry doors lead into the Master Stateroom, which features an over-sized queen berth to port and an en suite bathroom to starboard. Also featured is an entertainment center complete with a 42" LED TV with DVD Surround. There is more than ample drawer space and a large full-height cedar-lined locker. Just across to starboard is the Master Bath with a tub/shower combination.

- Custom over-sized queen berth with custom headboard

- HMC mattress
- Lower level lights beneath berth
- Gas-assisted cylinders access the cedar-lined storage beneath the berth
- (2) Wood dressers
- Mirror above dresser
- (2) Night stands
- 5 Ft. wide cedar-lined hanging locker with automatic light
- Lift-up step for shoe storage
- Roman shades
- Upgraded carpeting
- Over-sized portlights
- Entertainment center w/ 42" LED TV with DVD Surround
- Telephone outlet
- Full-length mirror
- Smoke detectors
- Digital safe
- Custom lamps

Master Head

- Tub with shower and seat, sliding doors and automatic sump pump
- Amtico sole covering
- Wall coverings
- Avonite countertops and backsplashes
- A/C vent
- Mirrored ceilings
- Storage cabinet with mirror
- Wood base cabinet with storage
- Low level lights at toe kicks
- Plexi mirror around upper cabinet
- Vacuflush toilet

VIP Stateroom

The VIP Stateroom features a queen berth with cedar-lined storage beneath and an adjoining head and shower. A cedar-lined hanging locker and cabinets provide ample storage.

- Queen berth with upholstered headboard
- HMC mattress upgrade
- Gas-assisted cylinders access the cedar-lined storage under the berth
- Low level lighting under berth

- Full-length mirror
- (2) Nightstands
- Cedar-lined hanging locker with automatic light
- Overhead hatch with screen and privacy cover
- Stereo speakers with volume control
- 15" flat-screen television with Sharp Aquos DVD
- Slotted wood valances disperse the air conditioning
- Telephone Panasonic PBX
- Smoke Detector

VIP Head

- Amtico sole covering
- Wall coverings
- A/C vent
- Mirrored ceiling
- Avonite countertop and backsplashes
- Wood base cabinet with storage
- Plexi mirror around upper cabinet
- Storage cabinet and mirror
- Stall shower with seat, sliding door and auto sump pump
- Vacuflush toilet
- Blower
- Portlight with screen
- Low level lights under toe kick

Guest Stateroom

The guest stateroom features upper and lower one double and one single berths with storage beneath lower berth. The Guest Bathroom is across the companionway to port.

- Upper and lower berths with hinged storage beneath lower berth
- Nightstand with drawers
- Carpeting
- Wall coverings
- Cedar-lined hanging locker with automatic light
- Full-length mirror
- Aft bulkhead
- 13" Television with VCR
- Stereo speakers with volume controls
- Portlight with screen

- Smoke detector
- AC dimmable lights
- AC and DC light fixtures

Guest Head

- Amtico sole covering
- Wall coverings
- Mirrored ceiling
- Stall shower with seat, sliding door and auto sump pump
- Avonite countertop and backsplash
- Wood base cabinet storage
- Low level lights under toe kick
- Storage cabinet with mirror
- Plexi mirror around upper cabinet
- Vacuflush toilet
- Blower
- Portlight with screen
- A/C vent

Crew Quarters

Crew Quarters

Custom and enlarged to accommodate a double berth. 10" Flat-screen television with DVD and AM/FM stereo. Full head/shower and extra Sub-Zero freezers in crew cabin; includes transom door option (Redone in 2015).

Laundry Room

The Laundry Room is located in the companionway from the Pilothouse to the Staterooms below, via a curved lighted stairway.

- Whirlpool washer and dryer
- Carpeting
- Panel headliner and bulkheads

Flybridge

The spacious Flybridge is accessed from the Pilothouse through a framed Plexi-glass door. The upper helm with its tilt steering wheel, single-lever electronic controls, line-of-sight gauges and the bow thruster are right at your reach. An L-shaped seating area

with a wet bar with refrigerator/icemaker and Corian countertops makes entertaining easy.

- Custom fiberglass Pipewelder's hardtop with LED lights
- Adjustable helm and companion seats with high polished chrome bases and covers
- Compass with dimmable light
- Single lever clutch and throttle controls (electronic) with engine synchronization
- Hydraulic power assisted steering
- Rudder angle indicator
- Storage under console
- L-shaped lounge with storage beneath
- Lounge to starboard with storage beneath
- Stereo speakers w/ volume control and Poly planer waterproof with CD & access to multi-CD and SAT radio
- 406 EPIRB on console
- AM/FM/6-CD player
- Wet bar with refrigerator/icemaker combo, storage and countertop
- Table forward of lounge seat, seats 6-8
- Nautical Structures 1100 lb. hydraulic davit
- DC LED lights
- Neutral interlock switches, which allow engine to start in neutral only

Electronics & Navigational Equipment

- CAT Gauges and redundant screens
- American hydraulic bow thruster powered by the generator
- Furuno Navnet chart plotter-radar systems, (2) 10.4" screens with slave on Flybridge
- Video interfaced with satellite TV on Navnets
- Furuno 1953C with repeater on Flybridge
- Furuno RD-39 depth finder with slave on Flybridge
- ICOM 502 VHF (2) slaves on Flybridge
- New Simrad NS019 chart plotter/processor/multi-function touch screen with XM weather and go-free WIFI
- New Simrad NS12 chart plotter/multi-function touch screen display
- Wind speed indicator and Simrad depth (New 2014)
- Harbor Master ship monitor with remote alarm and email capability
- Back-up Furuno GP-37
- Full analog and digital CAT screen
- Simrad AP20 autopilot (repeater)
- Simrad AP22 autopilot system with slave on Flybridge
- Tank tender monitor for black water system

- KVH Satellite
- Telular cellular phone system GSM
- Panasonic hybrid phone system with multi-lines, terminals in Master, Salon, Pilothouse, VIP and Crew Cabin
- XM Radio
- Elbex camera select on TV and plotters
- Dell laptop computer with Captain's programs
- Furuno Radar
- Navnet
- Sirius XM weather
- Go-Free Wi-Fi

Entertainment Equipment

- KVH Tracnet 4-Satellite television system
- Televisions in VIP, Guest Stateroom and Crew Cabin, all with DVD players
- AM/FM/CD player on Pilothouse console
- AM/FM/6-CD player on Flybridge
-

Deck Equipment

- Stainless steel anchor chute and roller
- 75 Lb. plow anchor, 250' chain - deck hawse pipe
- Windlass 2500 lb.
- Freshwater wash-down on Foredeck
- Sunpad with cover and drink holders on Foredeck
- Life jackets
- Life ring
- (4) Fenders and fender racks
- (6) Mooring lines
- Fog bell
- Dual air horns
- Remote controlled searchlight
- Navigation light
- Aft deck controls, bow thruster, etc.
- MarQuipt boarding ramp and stairway
- MarQuipt boarding ladder

Electrical Equipment

- Programmable battery charger
- Automatic battery paralleling system with switch
- Systems monitor with programmable Logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in Engine Room, AC power loss, smoke detectors and holding tank 3/4 full monitor
- AC switching panel with voltage selection switch, volt meter, amp meter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers
- AC distribution panel with magnetic circuit breakers
- DC electronics panel with magnetic circuit breakers
- DC distribution panel with magnetic circuit breakers
- Battery control panel with fuses and isolation switches
- CA and DC light fixtures
- Dual isolation/BUC boost transformers
- Step-up voltage transformer
- Heavy duty Hatteras transformer for dockside surge protection

Engine & Mechanical Equipment

The Engine Room and the Crew Cabin are accessed through the transom door from the sport deck and it has considerable headroom.

- Twin diesel, freshwater-cooled main engines with electric marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, and seawater strainers
- (2) 21.5 kW Onan generators w/sound shields, port w/PTO 1925 hours and starboard 1200 hours
- Fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Electric fuel transfer system with filtration and dry tank protection for the pump, option.
- Spare fuel transfer pump
- Freshwater fill hose for engine and generator
- Dockside water inlet with pressure regulating valve and quick-disconnect
- Pressurized AC freshwater pump with filter and backflush capabilities
- Holding tank with pump, plumbed for dockside pump-out with audible alarm and display
- Oil changing system for engines, generators and gears
- Fuel filter/water separator, generators
- Duplex fuel filter/water separators with bypass manifold, engines
- Electric fuel priming pumps, engines
- Alloy 22 high strength 3.5" propeller shafts

- Dripless bronze shaft seals
- Dripless bronze rudder seals
- Trim tabs
- AC distribution panel
- DC distribution panel
- AC fluorescent lights
- DC lights
- DC exhaust blower
- 30-Gallon water heater
- Cruiseair 79,000 BTU A/C with reverse cycle heating
- Upgraded Delta T w/ 4 fans
- Groco raw water strainers, option
- (1) Crash pump
- Emergency fuel cut-off
- Storage area
- Air Seps replaced
- Water pump #1 & 2 gen (2013)

Remarks

"Lynn Marie" is #24, the last 63' Hatteras built. She is also the most extensively equipped and the most customized. Her original engineer/owner and Hatteras managed to make her appreciably lighter with a lower center of gravity. This yielded a better ride with a greater turn of speed. At 1,900 RPM, she is cruising an honest 24knots and burning 96 gph. Her Owner is particularly fastidious about her maintenance and care; she is as close to a true 10 as a yacht can get; without a doubt, the nicest 63 ever built! New Interior and Updated Electronics (2016).
