SPECIFICATIONS

Overview

“Hull #4 in the popular Richmond megayacht series, with only one owner since being purchased from the shipyard. The vessel’s extensive use of richly detailed mahogany cabinetry, columns and moldings, with Mahogany burl inlays, puts her interior quality and detail high above that of her more “production line” competition.

Thoughtful features abound, such as hidden crew access to the lower deck for ease of service, refrigerated drawers in both the master suite and lower guest lobby, powder room on the upper hot-tub/bar-deck, comfortable U-shaped sofa seating on the aft deck, with high-lo tables and drop down TV, make this vessel a must see for any discerning buyer.

Combined with a six stateroom layout, 2,350 original hours on Caterpillar engines and first class equipment; including Quantum “zero speed” stabilizers, Headhunter Waste Treatment system, Atlas Shorepower conversion system with auto-parallel, Caterpillar generators and Alfa-Laval fuel separator, this is an excellent opportunity at an attractive price!

DETAILED INFORMATION

Overview

This one owner yacht features six staterooms plus crew and appears to have the volume of a larger yacht. 12 in Owners party in 6 staterooms: Full beam Master on main deck VIP on Sky Lounge deck (4) Guest staterooms lower deck - 3 Queens, 1 Twin (4) Cabins for up to 8 crew

Aft Deck

The large covered aft deck is entered from port or starboard side boarding gates, via a Marquipt tide-ride ladder, the midship boarding gate via the walk-around decks or from the swim platform and/or 20' Bezenzoni passarelle aft. The main aft deck has plenty of seating with one large hi/lo custom teak table that converts to either a dining table or a cocktail table. There is a beautiful teak and granite refreshment bar complete with ice maker, refrigerator and flip down 50" LCD TV.

There is access to the upper aft deck, via a stairwell to port, or forward to the salon through a powered stainless and glass door.

Salon

As you enter the salon from the aft deck, through the custom built stainless steel automatic sliding doors, you will find an elegant and stylish lounge for entertaining guests. Generous seating includes two large custom sofas, an armchair and two custom designed cocktail tables, power drapes with a coffered ceiling that is illuminated by a custom etched glass compass rose. The entertainment center that separates the salon from the formal dining room includes a fixed 52' LCD TV, Denon tuner/amplifier, DVD player, media music center and Satellite Receiver.

Featured in the salon is a Yamaha Disklavier piano. Note: - The main deck features powered drapes in the salon, dining salon and on-deck master suite. The superbly detailed mahogany joiner-work and moulding throughout the vessel is complemented by Pomelle Sapele insets and accents, with custom carpets and slab marble flooring.

Dining

Forward of the salon, amidship is the spacious formal dining salon, one of three places to dine on the yacht. Featuring a custom round mahogany dining table capable of seating ten guests. A beautiful French Gold Finish and White Murano Glass chandelier hangs over the dining table, with plenty of natural light through the large side windows. There is ample fiddled storage in the glassware cabinet and buffet for storage of china, crystal and stemware. A stunning curved gold and sapphire glass water wall is featured with ambient lighting, forward. An automatic door to port acts as a service entrance between the galley and the dining salon. A camera monitor in the

galley allows crew to anticipate the guests' dining needs, here or on the aft deck, without disturbing them.

Galley

The galley, located forward to port of the dining salon, may also be accessed from the mid-ship port side deck for ease of crew access and galley supplies. As you enter the butler's pantry from the salon, you will find an ice machine and dishwasher. All appliances in the galley are stainless steel units including (2) large side by side Subzero refrigerators, trash compactor, steamer oven, dishwashers, (2) drawer freezer, cook top and (2) double wall ovens and a microwave. A beige granite floor brings out the silver cabinets and the granite counter tops. To keep the chef happy, a complete entertainment system with LCD TV, DVD, CD and radio is provided. The large pantry gives plenty of storage for dry goods. An island is conveniently located in the center of the galley with plenty of storage for all kitchen appliances. There is a banquette for up to five if you feel like joining the chef in the galley. A large Subzero wine cooler is located outside the galley, hidden in the main foyer area.

- (1) Induction cooker
- (2) Dacor ovens, (1) warmer
- (2) Sub-Zero freezer
- (1) Dishwasher
- (1) Microwave
- (1) Miele Steamer
- (2) Floor to ceiling refrigerators
- (1) Freezer in Lazerette
- (2) Frigidaire washers and dryers
- (2) Additional Sub-Zero double drawer fridges - lower guest lobby and master stateroom
- Under counter fridge and ice maker aft deck
- Under counter fridge on sundeck

Master Stateroom

Forward to starboard on the main deck, past the on-deck powder room is the on deck master suite. As you enter the suite, to starboard is a built-in desk and bookshelf/office area with a TV and a Subzero two drawer refreshment center. Continuing forward you walk into the master stateroom, featuring a centerline king size bed with a lounge to starboard and dresser with vanity to port. A full entertainment system is hidden in cabinetry opposite the bed, with a 50" Samsung LCD TV. To port aft is a large walk in cedar lined closet for his and hers clothing with plenty of storage and drawers. Forward of the bed are his (starboard) and her (port) bathrooms, his has a dual head steam shower, hers a large Jacuzzi tub and bidet. Both have W.C's. Both bathrooms have TV's hidden behind two way mirrors and the port bathroom has an emergency escape for'd, hidden behind another mirror.

Guest Staterooms

Descending the starboard main foyer stairwell to the lower foyer, there is access to four large guest staterooms. Three staterooms feature queen-size beds, two aft are mirror images, with awthartship berths and tub/shower combinations in the ensuite bathrooms, except for the forward stateroom which features a stall shower. The fourth stateroom features twin beds, with stall shower. Every stateroom has a beautifully appointed en suite bathroom with slab marble and granite counter tops. The lower foyer also includes a refreshment bar with a Subzero two drawer refrigerator and icemaker. There is a hidden crew door that allows ease of access for the crew into the guest foyer, to service the lower deck with minimal intrusion on the guests. The crew passageway has a watertight door to ensure sound insulation between crew and guest areas.

Skylounge

Up beautifully lighted winding stairs from the main deck level is the sky lounge foyer with access to another day head, pilothouse for'd, VIP stateroom and skylounge area. The sky lounge is huge and features two leather sofas and leather chairs along with a reversible card table, which compliments the magnificent granite bar with four leather custom bar stools. The entertainment center on the forward bulkhead includes 52" LCD TV, Denon receiver-amplifier, DVD, CD, Apple TV system and Sonas music system. There are also custom powered drapes in the sky lounge. Leading aft through powered stainless and glass door leads to the spacious upper aft deck, featuring a custom round teak table with a compass rose inlay that is also duplicated on the coffer ceiling. It accommodates ten guests. A wet bar, under counter fridge, a 50" plasma TV with surround sound and a propane grill/oven are also located on this deck for alfresco dining.

VIP Stateroom

The VIP stateroom located forward of the sky lounge and aft of the bridge on the sky lounge deck, features a queen-size bed. This stateroom has a beautifully appointed en suite bath with shower, complete entertainment system, cedar lined walk in closet, a dressing area and work desk. This stateroom has the best view, with a large window overlooking port side.

Crew Quarters

Entrance to the crew quarters and lounge is through the galley. Crew quarters also has an entrance/exit to lower guest staterooms for easy access to service the bedding and laundry. Comfortable crew lounge with leather seating and large table to accommodate eight crew. You will also find refrigerator/freezer and LCD TV, DVD, CD and radio. Two full size washers and dryers with large ironing area are also located in the crew quarters. Engineers cabin with two berths and en suite head aft.

Pilothouse

The spacious pilothouse, with vertical windows, features a leather settee with mahogany inlaid table for guests to enjoy the view without disturbing the Captain, teak and maple flooring, a large captain's navigation work desk, chart table and drawers, a Stidd captain's chair and plenty of storage behind Pomelle Sapele raised panel doors. A large coffered oval ceiling with fiber optic star lighting set's the mood for navigating under the stars at night with the state of the art Simrad electronics. The bridge wings feature docking stations port & starboard and via a Portuguese bridge access over a central catwalk in the deck-house lead to the working fore-deck.

Navigation Equipment:

- SIMRAD AP50 MAIN AUTOPILOT DISPLAY WITH J50 JUCTION BOX
- SIMRAD FU50 (x2) FULL FOLLOW UP WING JOGS
- SIMRAD FU50 FULL FOLLOW UP WHEELHOUSE
- SIMRAD RCG50 MAIN GYRO
- SIMRAD RFC25 FLUXGATE COMPASS WITH RATE CARD (BACKUP)
- SIMRAD RF300 (x2) RUDDER FEED BACK UNIT
- SIMRAD RGC AD78 GYRO REPEATER
- MAIN NAVIGATION
- SIMRAD GB60
- 2 x GLASS BRIDGE SYSTEM
- RADAR/ CHARTPLOTTER GPS/ SOUNDER
- SIMRAD EB60 GLASS BRIDGE 1KW DUAL FREQUENCY SOUNDER
- AIRMAR BP100 ULTRASONIC WEATHER STATION
- NAV PC
- CUSTOM PC COMPUTER
- 6 x SIMRAD 20" 20" LCD DISPLAY
- SIMRAD RS87 (2) 25W DSC VHF WITH HAILER & (2) SECOND STATION HAND MIC'S

Flybridge

The flybridge, accessed from the forward port corner of the upper aft deck, has a half-moon shaped bar with four bar stools. Equipped with refrigerator and ice maker the bar wraps around the 60 jet hot tub built in under the arch section. An air conditioned day head is conveniently located on this deck for ease of use by guests. Located aft, the large sun-splashed area has 4 lounge chairs. Forward are four large seating areas (two facing forward and two facing stern) with teak tables and custom umbrellas.

Audio & Visual Equipment

Equipped with SONAS music system and Apple TV throughout the vessel. Every cabin has a TV, with four in the master suite, aft deck, upper aft deck, sky lounge and salon.

Tenders and Toys

The engine room and machinery spaces aft can be accessed via a watertight door and stairwell off the aft deck or via a watertight transom door. Upon entering from the transom there is a double engineers cabin with ensuite head to port, while opposite is dive room and extra freezers. Proceeding forward to port is the engineers control room. Aft Dive room –Stbd:

- Three door commercial grade stand up freezer
- Wet suit locker
- Dive compressor
- 2 x Air compressor with Compressed air spigot
- Dive bottle storage lockers
- Fender storage lockers
- Emergency steering station with Rudder Angle Indicator and bridge communications
- New and Used oil pump-out spigots

Control Room & Machinery Space

- Full engineer's control station with stair access to main deck
- Area fully air conditioned
- Engineer's bookshelf and upper storage cabinets
- Shore power input 480V/200 amp, 120V 3-phase output
- Atlas Shore power Conditioner with seamless transfer and auto-parallel system.
- Watertight steel engine room door (mid ship) leading to engine room
- High output fluorescent lighting
- Emergency DC lighting
- Warning strobe lights for fire, general alarm, engine alarm, telephone and fuel
- Extra large tool box
- Bilge and fire pumping manifold

- 5 hp electric fire pump with dedicated thru-hull can also be used as emergency bilge pump
- 6 hp hydraulic bilge/fire pump
- Emergency diesel fire pump and bilge pump

Engine Room & Machinery

- 2 x Caterpillar C-32 1800 hp: Port: 2113 hrs./Stb: 2234 hrs (Jan. 2016)
- 10 knot cruise full consumption 33 gph
- 2 x C32 Caterpillar ACERT on sound isolator mounts
- Starboard engine emergency crash pump
- 2 x ZF 3050 Marine reversing gear 2.95-1 gear ratio on sound isolator mounts
- Port Sea chest thru-hull sea water supply for main engines with starboard crossover and starboard sea chest with port crossover
- Deangelo custom marine exhausts port and starboard, main engine exhaust outlet with butterfly valve
- Aquamet 22HS 5" dia. propeller shafts with Tides Marine dripless shaft seals
- Sink with faucets
- Bench with Vise
- Stairs up to main deck exiting through watertight door to port
- 2 x Caterpillar C4.4 DITA 91kW each; Port: 2596 hrs/Stb: 3323 hrs (Jan 2016)
- Generators' muffler/water separators
- Generator and hyd. cooling thru-hull and strainer
- Fuel return coolers
- Marine Air 30 ton chiller unit, **all 5 units replaced 1/2016**
- Chiller soft starts
- Chiller cooling water outlet thru-hull and sea valve
- Large commercial water softener
- UV sterilizing system for the potable drinking water
- Alfa Laval fuel centrifuge on sound isolator mounts
- Quantum QC 1200 E Zero Speed stabilizers
- Quantum 20hp electric pump for zero speed stabilizers (on sound isolator mounts)
- Heat exchanger for hydraulics
- Quantum QT 120 bow thruster
- Alfa Laval MAB 103B-24 fuel separator
- Hydraulic cooling water outlet thru-hull and sea valve
- 2 x Sea Recovery 1800 Gallon per day watermaker
- Tideway HMX-TW-HMX-512 Headhunter waste treatment system with thru-hull outlet and sea valve
- Main Engine start batteries - 4 x 8D
- 2 x Generator start batteries – (2) 2 x Group 27
- Battery disconnect switches and meters

- Battery ventilation system
- Battery charger for house batteries
- UPS inverter

- Fuel transfer pump - AC sound isolator mounts
- Fuel transfer pump - DC sound isolator mounts
- Oil transfer pump - New oil sound isolator mounts
- Oil transfer pump - Used oil sound isolator mounts
- Motor control center for fuel and oil pumps
- Fully soundproofed engine room wall system
- Fully fire proof B30 engine room wall system
- Engine fuel day tanks port and starboard forward bulkhead
- Jastram steering hydraulic tank and solenoids
- Main air compressor
- Fuel storage tanks against forward (engine room) bulkhead help insulate guest spaces forward from machinery noise
- Black water - 480 gal.
- Grey water - 997 gal.
- New oil - 106 gal.
- Used oil - 156 gal.
- Scrap/scavage oil tank - 275 gal.

Safety Equipment

- MCA compliant
- Fire hydrant with 50 feet hose and nozzle in E.R.
- Fire axe
- (2) Fireman's suits with SCOTT air packs
- FM 200 engine room fire suppression system
- (5) 10-Man Liferafts
- (4) Life rings
- (1) EPIRB
- MedAire Pack A
- CCTV system with 9 cameras plus bilge cameras, monitored on every TV plus bridge monitor

Yard Periods

July 2012 Hull and superstructure painted at Rybovich Dec. 2015 Yard Period Vessel hauled, bottom painted, new zincs. Shafts pulled, target and aligned running gear and engines. 3 new A.C. chillers, some chilled water piping changed in engine room. A.C. ducting changed in crew areas

Exclusions

Exclusion list available upon request.

Remarks

Excellent opportunity to purchase a one owner, fiberglass motoryacht, in Class with MCA compliance. Six staterooms and loads of entertaining spaces, making this a very attractive package and an alternative to 130' Westports or metal Trinitys. Features: Low mechanical hours Quantum Zero speed stabilizers Headhunter Waste treatment system Atlas shore power system with auto parallel and seamless transfer Motivated seller!

Exclusions

Owner's personal belongings.
