SPECIFICATIONS

Overview

Welcome to the 55 meter expedition craft MY Ark Angel, built by Mitsubishi Shimonoseki in Japan then fully refit by HYS Yachts in 2011. A true Superyacht, with dual helipads, a safe-room, 12,000 Nautical Mile range making her a comfortable world explorer capable of taking her owner and guests to virtually any destination on the globe in complete safety and comfort.

She's a Japanese quality steel hull and had a complete engine rebuild, complete installation of new Furuno navigation equipment, rebuilt by Quantum Zero zero stabilizers and many new systems to include new Tripower generators to name a few, no expense was spared. The Arc Angel is equipped with an enormous Owner's suite, 8 guest suites, including 3 ensuite VIP staterooms and crew accommodations for 17. She boasts a large sundeck, observation lounge with Jacuzzi and a massive lounge and to get owners and guests onboard there's a aft 3-ton helipad passenger and a smaller 1.2 ton helipad forward is set up for touch and go operations or use either of the two 7-meter tenders.

Motivated owner. Trades considered.
