SPECIFICATIONS

Overview

Major Price Reduction!

This turn-key 2005 Azimut 68 S has received great care. The owner grew up on a farm in Spain, and throughout those years, he learned the importance of taking care of the mechanical equipment and that "an ounce of prevention was worth a pound of cure." He has since always taken the utmost care of his possessions.

The owner left the family farm to start a successful luxury marine and lifestyle business on the island of Ibiza. Over the years, he has owned several larger yachts which he uses to cruise the Mediterranean while sharing this passion for yachting with his loved ones.

Azimut is the largest producers of motoryachts in the world, so you can be sure that this beautiful Azimut 68 S is a safe and sound investment.

Click the "View full Specifications" tab above see all the specs of this boat. Here are a few key features of the boat:

- The Master Cabin is downstairs and aft and is most spacious. The master has its own full shower and bathroom, as well as a dinette where you can sit and watch TV while having brunch.
- There is also a VIP Guest Cabin forward with its own shower and bathroom.
- **MTU engines with less than 200 hours.**
- There is another Guest stateroom with two twin mattresses and has private access to another separate head plus shower.
- The spacious and relaxing Salon includes a large semi-circular seating area, an elegant sideboard facing a entertainment center.
- The separate dining area is on the bridge deck, with outstanding visibility through the main screen and side windows.

BONUS: The owner wanted to keep it but finally decided to include the brand new 2015 Sea-Doo Spark Wave Runner along with the yacht!

I could keep going on about the nice parts of this boat, such as the surround sound stereo system, new satellite TV and other nice features.

This fully loaded and turn-key yacht has been reduced to EUR 650,000, which is amazing value for an Azimut of this age and caliber that has been so well kept and maintained.

If you are serious about cruising in style, give me a call and arrange a visit.

DETAILED INFORMATION

Manufacturer Provided Description

The 68 S is definitely a model that will trace a new path, completely separating itself from all other Opens currently on the market. The "expressions of Righini" will penetrate deeply into the hearts of those who privilege comfort but also love to race the waves. This Open sports an overall length of 21.6 metres and a beam of 5.5 metres. Two 1150cv MTU engines with V-drive transmission for a top speed of between 36 to 38 knots as well as other particulars that will get it noticed.

Engine notes

Top speed of boat: 54mph
