SPECIFICATIONS

Overview

New to market... seller has owned her since 1998. Motivated seller... 3 boat owner

The Fairline 39' Targa is a quality European sport cruiser from a company that seldom misses the mark when it comes to building well-styled, good-running boats. Built on a deep-V hull with moderate beam, the Targa's enjoy a sleek exterior look. The cockpit, which is impeccably detailed and finished, has a convenient food-prep unit across from the U-shaped lounge with a barbecue, refrigerator and sink. Below deck, the mid-cabin interior of the 39 Targa is an impressive display of high-gloss woodwork and practical design.

Headroom is excellent; there's a separate stall shower in the head, and both staterooms have doors instead of privacy curtains. The engine room, below deck, is roomy enough.

A bow thruster is standard, a definite plus. Twin 230 hp Volvo diesel stern-drives cruise the 39 Targa at 21-24 knots and reach a top speed in the low 30s.
