SPECIFICATIONS

Overview

Captain maintained to the highest standards!

The Ferretti 75 is a modern and aggressively styled planing motor yacht from the finest production boat builders in Italy. The 75 is the first of the Ferretti 'large yacht' range and has many large yacht features including 4 cabin layout with 4 en-suite bathrooms, large saloon with separate dining area, concealed galley forward accessible through a side door, professional bridge deck helm running full width of the vessel and separate crew quarters and engine room access from the cockpit.

Capable of high speed cruising in comfort, she has a top speed of 31 kts and a cruise speed of 25 kts. The 75 is fitted with ZF Steer Command which electronically controls the independent rudders to give a sports car feel and feedback at the wheel. Also fitted with ARG anti rolling gyro for comfort at slow speeds or at anchor.
