SPECIFICATIONS

Overview

Launched in 2011 by Proteksan and a finalist at the 2012 World Superyacht Awards, TURQUOISE was initially designed by Dubois Naval Architects and underwent an extensive refit in 2014. The 2014 refit enhanced the yacht with a luxurious, contemporary interior conceived by the award winning team at H2 Yacht Design. The level of detail to comfort and pleasure provided by this refit has led to Turquoise being shortlisted for the International Yacht & Aviation Awards 2015. **Broker friendly website:** <http://my-turquoise.com/>
