Main Salon

You enter the Maestro's main salon through a sliding stainless and glass door. The interior is a satin finished walnut. To starboard is a large U-shaped leather sofa and dining table with two expandable leaves. For additional seating, there are two Apreamare stools that stow under the table when not in use.

To port is a built-in walnut console that provides a serving buffet as well as a flat screen TV that stores out of sight in the cabinet when not in use. A Raritan ice-maker, freezer/refrigerator drawer, DVD player and Bose sound system as well as additional storage cabinets and drawers.

With the touch of a button, the large port, starboard and aft windows slide into the cabin house opening the main salon to the outdoors.

5 Bose speakers for surround sound

Samsung flat screen TV on lift in walnut console

Direct TV HD receiver

KVH Trac Vision 4SatTV

Raritan ice maker

Indel refrigerator/freezer drawer in walnut console

Galley

Moving forward and up a step, the galley is to starboard with a large amount of work space provided by forward and aft countertops. The aft work station has twin stainless steel sinks, dishwasher and full size stainless steel refrigerator and freezer. There is a slid down glass partition that can be left open to the main salon, closed with clear glass or made private with internal blinds.

The forward work station has upper and lower cabinets, electric cook-top and oven. There is a clear window looking forward into the pilothouse that has an internal blind that can be raised or lowered as needed. A walnut pocket door encloses the galley from the main salon and pilothouse.

The side decks can be accessed by both port and starboard water-tight doors.

Indel full size stainless steel refrigerator with freezer

Miele 4 burner ceramic cooktop

Miele convection oven

Miele dishwasher

Miele hood vent over cooktop

Pilothouse

The Pilothouse has an amazing 180 degree view. TO starboard is a small sofa and stowable table in walnut. Centerline is the adjustable helm seat.

Autopilot - ST7002

Bow thruster

Stern thruster

ST 60 and depth sounder

Office

Heading forward and down a curved walnut staircase is an office area. A walnut desk with drawers and seat are on the forward bulkhead. Outboard are twin opening round

ports in stainless and there is a large storage locker aft. Two movable Apreamare storage stools store under the desk.

Master Stateroom and Head

The master stateroom is located mid-ship and uses the full beam of the boat. The centerline berth has reading lights on both sides and storage drawers beneath. To starboard is a built-in walnut vanity with fold down mirror and two hanging lockers. On the forward bulkhead is the mounted flat screen TV and additional storage drawers. To port is additional storage as well as the master head with separate stall shower. Ventilation is provided by round stainless ports both port and starboard.

VIP and Guest Staterooms

Forward of the master stateroom and to starboard is the guest stateroom with twin berths, storage drawers, hanging locker and access to the day head.

The large VIP stateroom is forward with centerline berth and private head with stall shower.

Engine Room and Crew Quarters

The engine room and crew quarters are accessed through an opening hatch in the cockpit.

There are two private crew berths and a crew head with shower.

Deck

The large cockpit has an electro-hydraulic hatch giving access to the large storage garage.

There is a watermaker, cablemaster, Miele full size washer and dryer and storage for the teak cockpit table and six chairs.

With the touch of a button, the transom folds down making a "teak beach" for easy access to the water. There is a retractable hydraulic gangway as well as a transom door. Electric winches are both port and starboard and there is a third station engine control on the starboard side.

There are wide walk around covered side decks leading to the beautiful round sunpad and seating forward.

Teak decks

2000W electric windlass

Stainless and teak ladder to upper deck

Retractable sun awning for cockpit

Retractable gangway for boarding

Stainless steel rub rail on cap rail

Varnished teak frame under cockpit ceiling
