## Overview

---

Ferretti Yachts core philosophy emphasizes yachting experience, innovation, and comfort. This 720 Flybridge proudly embodies all three. This yacht boasts an absolutely stunning design and its aesthetics are only complimented by its functionality. The multiple entertaining areas at the cockpit and the fly bridge are joined by teak walk around decks to the lounging area on the bow. The spacious interior of this Ferretti Yacht is filled with natural lighting that promotes a peaceful and calming yachting experience. Her white salon furnishings and recent upgrades including LED lights, BOSE speakers and a 60' flat screen TV provide an elegant and modern feel. This yacht underwent many other behind the scenes upgrades in 2008 including electronics, hull paint, soft goods, A/C, and a transmission overhaul.
