Overview

DON'T MISS THIS OUTSTANDING 38' EASTBAY

THIS BEAUTIFUL EASTBAY HAS HAD THE PRICE REDUCED BY \$30,000 IN THE LAST 30 DAYS AND IS NOW AT AN AMAZING ASKING PRICE OF \$249,500. THIS IS A RIDICULOUSLY LOW PRICE AND THIS BOAT IS SPOTLESS.

AND NOW ON 7/20/16 YET ANOTHER \$10,000 PRICE DROP. NOW ASKING \$239,500. OWNER IS SERIOUS ABOUT SELLING.

THE OWNER IS VERY SERIOUS.

LAST ONE IV is an outstanding example of the world renowned Eastbay 38 line. Superior design, Performance and construction are synonymous with this Downeast express cruiser. LAST ONE IV is the only 38 Eastbay available with the classic appearance of the WHITE hull. LAST ONE IV has had extensive mechanical as well as electronic and cosmetic upgrades and service since May of 15 to prepare her for trouble free, long range cruising. This Eastbay 38 has the highly reliable 375 HP 3208 CAT's with only 1044 hours as of 1/18/16. The owner went over every bit of the boat making it ready for a trouble free Great Loop trip. No expense was spared to assure the vessel to be truly "turn key" Anyone looking for a Grand Banks Eastbay or any downeast cruiser should consider this spotless, ready to go stunner. DYSID:2924903

DETAILED INFORMATION

Overview

LAST ONE IV was purchased from the original owner in April of 2015. The current owner then put the boat in the yard for a complete refit and service preparing for a cruise of the Great Loop. Every aspect of the boat was reconditioned with special attention to the engines, generator, and all mechanical systems. Please study the list of 2015 upgrades and you will see the boat was put into perfect condition and is ready for the new owner for trouble free, long-distance cruising. The pleasure of cruising has been enhanced with Tracvisions in-motion internet and TV access. Beautiful new upholstery on helm deck and cockpit and new draperies on all ports.

Unfortunately the owner, after finishing Last One IV, must now part with his love because of an unexpected change in personal circumstances. All the work that was done on the boat was first class with attention to the finest of details.

Accommodations

STATEROOM:

The stateroom is located forward featuring a large V-berth with filler cushion. There are several teak storage cabinets on either side above the V-berth as well as a teak chest of drawers on the starboard side. This is a particularly well ventilated stateroom with a large hatch in the ceiling with a privacy shade and a screen, opening stainless steel ports with screens ,overhead lights and privacy door.

Trac-vision connections in stateroom

Spare props located below V-berth

HEAD

Head is on the port side forward of the galley. This is a combination head/shower with new curtain and nautical towels (new unused). There is storage both above and below the large countertops. Vacu-Flush head system.

Shower sump pump replaced

SALON:

Opposite the Galley on the starboard side is the Salon featuring a settee covered in blue ultra--suede. A Hi-Lo table is featured which has a filler cushion that converts to a bunk.

There are a number of storage areas, a book shelf and a CD/stereo system and speakers. All ports are stainless steel with screens that open as well as two hatches above with screens and privacy shades.

Trac-vision connections in salon

GALLEY:

The well designed galley is located to port and features a deep stainless steel double sink, princess three burner propane stove, with a 110 V Microwave/Convection oven and ample storage on all sides. New state of the art Isotherm drawer refrigerator installed December 2015. Refrigerator operates on either 12V DC or 120 V AC.

New plates, cups, glasses, pots and silverware.

New coffee maker

Pressure fresh water system

Water heater

HELM AREA:

The helm area is under a factory hardtop with factory air conditioning. There are dual hatches in the overhead as well as sliding glass windows port and starboard. The center forward window also opens to allow fresh air flow when desired. The helm area has an L-shaped settee with a varnished custom teak/maple table to port and a captains chair with foot rest to starboard. The entire area is closed off with new Strataglas enclosures. Forward windows replaced and rebedded. New Sony speakers. New Sunbrella "L" Shaped settee to port. Two propane tanks located under settee.

COCKPIT:

The cockpit is very large with a NEW teak sole and three lazarette hatches. There is a transom door leading onto the NEW teak swim platform with a swim ladder. There is a hot and cold freshwater shower located on the transom.

Two new teak folding tables and two teak folding chairs. New Sunbrella upholstered seat cushion.

Engines

MECHANICAL:

Twin 375 HP Cat 3208 TA Main Engines. These engines have been proven to be highly reliable and have just undergone extensive service in preparation for a Great Loop trip. Low hours read 1044 hrs on 1/18/16.

2" Shafts turning NEW 24X32 4 bladed Nibral props and driplless shaft seals. Extra shaft seals attached.

Spare props located under V-berth

Westerbeke 7.6 Kw Genset with Aqualift muffler.

New 12V oil change system plumed to engines and transmissions.

Sealand Vacuflush Head system

Hynautic hydraulic steering

Bennet Trim Tabs

Two Factory installed 16,000 BTU reverse cycle Marine Air units

Two Racor fuel Filters

3 Electric bilge pumps.

Electrical

Wired for both 12 volt DC and 120 Volt AC service. Westerbeke 7.6 Kw diesel generator provides ample power away from the dock.

12 VOLT:

Electrical panel with breakers

Volt meter

(2) 90 amp alternators

(2) 4D house batteries

120 VOLT:

Switch panel with breakers

Volt and Amp meters

50 amp shore power inlet with 50 foot shore power cord.

Promatic 50 amp charger
