## Overview

---

2008 42' Yellowfin with quad 300hp Mercury Verado's, upper helm above hardtop with full controls and bimini top. This Yellowfin was recently re-powered with fresh Verado's and currently has less than 200 hours and 4 years engine warranty. She has been fully maintained and boat barn kept out of the Florida sun when not on the water. The boat was custom built as a private fishing vessel complete with top of the line electronics - Furuno NavNet VX2 displays (lower and upper helms) with 6 foot radar antennae, Northstar N2 6000i (new display unit), Furuno full color LCD sounder FCV-11000L and two very large live wells. If you are looking for the best fishing machine available to take you and your friends offshore fishing, or fishing trips to the islands this is the boat you are looking for. Inside the console is a v-bunk for two, a separate enclosed standup head/shower, air conditioning, stereo, microwave, and a 32" television. Come to Key West to see this fishing machine.

## Basic Information

---

**Category:** Center Console

## Engine Information

---

**Engines:** 4

**Manufacturer:** Mercury

**Model:** Verado

**Engine Type:** Outboard

**Fuel Type:** Gas

---

# DETAILED INFORMATION

---

---

## Manufacturer's Statement

---

Yellowfin's flagship sets the standard for what a big, brawny, no-holds-barred center console can be, designed for triple or quad outboard power, the 42 can run circles around big diesel inboards in a Marlin Tournament (while burning a fraction of the fuel), but is equally at home competing in a local KDW competition. Its versatility in terms of the sheer number of tasks it does well defies comparison. Whether you seek a large, family boat for weekend excursions in total safety and comfort, or a full-on tournament ready battlewagon, the 42 easily accommodates both duties. With an unmatched attention to detail in fit-and-finish, smooth dry ride, and performance, there is simply nothing else in the market to compare.

---

## Accommodations
