SPECIFICATIONS

Overview

This boat has had 600k spent on it in the last 12 months. She's a 2005 with 1500 total hours on the boat and 150 hours on "Brand New" 1550 hp Common Rail MANs in 10/2013. The Viking factory also did the engine install. When the owner originally purchased her they gutted the interior, installed granite countertops in the galley and added all new soft goods throughout. She really must be seen to be appreciated. She currently resides at The Buccaneer Marina on Singer Island. Call me for a private showing!

Basic Information
