SPECIFICATIONS

Overview

Here's a very unusual opportunity on a Silverton 351 Convertible! Bitter End is a CUMMINS DIESEL-POWERED 351- the only one the market! In addition to the low-hour diesels, she is loaded with updated electronics, upgraded canvas, covers and Strataglas, is spotless throughout and also comes with a dinghy and outboard. This is a perfect coastal pocket cruiser/fisherman and she's turn-key in every way!

Model: 6BTA5.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Bold, innovative and truly family friendly, the Silverton 35 Convertible set the standard for functionality. Silverton's "SideWalk" makes transiting to the foredeck fast, easy and safe. This innovative design brings the salon almost full beam, allowing for a much larger salon. Exceptional headroom combined with the added beam provides a truly elegant but friendly interior arrangement. The flybridge offers plenty of seating and great storage. Wide, molded steps lead into a large cockpit complete with storage, transom door and fish package with rodholders and rocket launchers!

Inside, "Bitter End" has an equally functional interior. She has a really well-appointed master stateroom with two hanging lockers and drawer storage. Aft to port is a head with separate shower. To starboard is a full-service galley, with ample storage and nice appliances. Aft to port is a large dinette/couch area and to starboard you'll find a couch that folds out into a double berth for guests.

Exclusions

Personal Belongings

Broker's Remarks

Super-clean Silverton, previously owned by a NASA engineer as well as a canvas shop owner, so she's decked out. Definitely more desirable than a gas burner

Exclusions

Owner's personal belongings.
